Enormous Saving to Schools.

5c. S. S. LIBRARIES.

The enormous expense of the Sunday-school
library a thing of the past. \$2 to \$3 now buys
a Sunday school library which before cost \$10
to \$25. The largest and best of Library lists
at less than 5c. each until October 1st. First fifty-two reprints of the best books written. Selections from
over 1,000 volumes—original prices varying from 60c. to \$1.50, the whole fifty-two books originally cost-
ing \$37.45, averaging \$1.10 each. Volumes from No. 62 to No. 131, written expressly for us, by the best
Sunday-school writers. Above 104 partly new and partly reprints. In printing so cheaply we do not
sacrifice durability or quality. In point of fact, our cheap books will outlast the expensive ones. Being
wire-stitched, the leaves can not come out unless torn out. The limp covers preserve the books better
than the heavy board covers of the ordinary books. Being flexible they can be bent back, folded over,
or even rolled without injury, making them almost indestructible. Every book thoroughly sound and
evangelical, but nothing sectarian or partisan. Each book numbered and containing descriptive cata-
logue of the whole.
