MOLASSES CAKE.—One cup of sugar, one of molasses, to be warmed a little, two eggs, one cup of milk, two teaspoonfuls of baking powder and four or five cups of flour.

DANGER AHEAD.—There is danger ahead from neglected colds. A tight cough and irritated throat are the warning signs of lurking danger to the lungs. Hagyard's Pectoral Balsam cures colds, sore throat, stubborn coughs, and all bronchial and lung troubles.

ROASTING MUTTON.—When roasting a large and fat loin of mutton, cover it with a paper during the early stages of its roasting, otherwise the fat will burn or at least will be scorched, and impart a bad flavour to the gravy.

IN BAD HUMOUR.—"A year ago my head was covered with sores, and the eruption covered my face also, and spread even until the backs of my hands were sore. I became weak and ill. Finding no cure I tried Burdock Blood Bitters. Two bottles perfectly cured me." Statement of Miss Minnie Stevenson, Cognac, N. B.

SPONGE CAKE.—One pound of powdered sugar, one-half pound flour, ten eggs, juice and grated rind of lemon, a pinch of salt. Beat the yolks and sugar together; add whites (previously beaten to froth). Beat all together ten minutes, then add flour and lemon. Stir in as lightly as possible.

WHY IS IT?—Why do so many limp and hobble about on sticks and crutches, suffering from rheumatism, stiff joints and cords, lame back, sprains and other aches, pains and lameness, when Hagyard's Yellow Oil, an unfailing relief, can be purchased at the trifling cost of twenty-five cents?

GINGER SNAPS.—One cup of sugar, one of butter, one of molasses, two eggs, three pints of flour, one teaspoonful soda, one tablespoonful ginger. Rub the soda into one pint of the flour, and mix with the other ingredients; then add the rest of the flour, mould into cakes the size of marbles and bake in a moderate oven.

NORTH AMERICAN LIFE.

If you are intending to insure your life, you will do well—

First—To avoid a company that requires you to guarantee or warrant the statements you make in the application, thus laying a foundation for future successful litigation by such company.

Second—To avoid a company that is fond of litigation, and has the habit of disputing the payment of its policies. You want your family to inherit money, not lawsuits, after your death. If an honest man, who has regularly paid for his insurance, die, the company should pay the policy. This is the practice of the North American Life Assurance Company, which issues policies whose payment is made INDISPUTABLE after they are three years in force.

The North American offers security not exceeded by that of any other company.

NOTE.—

For the security of policyholders the Company holds Assets (as per balance sheet) \$346,890 95 And in addition, Uncalled Guarantee Fund 240,000 00

From which deduct Reserve and death losses (\$3000) due Dec. 31. (since paid) \$241,890 00

Surplus on Policyholders' Account \$345,000 95 or \$2.42 of assets for each \$1 of liability.

SAGO PUDDING.—Boil three tablespoonfuls of sago in a quart of milk, add a pinch of salt. When cooked set to cool, stirring it occasionally. Beat four eggs very lightly with three table spoonfuls of sugar, and stir it into the sago and milk; add a small piece of butter, and flavour with nutmeg. Bake forty minutes.

WATERMELON CAKE.—One cup of white sugar, one-half cup of butter, one-half cup of sweet milk, whites of four eggs, one-half teaspoonful of soda, one of cream-of-tartar, two scant cups of flour, one-fourth cup of sour milk, two-thirds cup of pink sugar, one-fourth cup of butter, one-half teaspoon of soda, whites of two eggs, one teacup of raisins, flour enough to make rather stiff. First and second half of recipe to be made up separately, and mixed like marble cake before baking.

CONSUMPTION,

which is Scrofulous Disease of the Lungs, is promptly and certainly arrested and cured by this God-given remedy, if taken before the last stages of the disease are reached. From its wonderful power over this terribly fatal disease, when first offering this now celebrated remedy to the public, Dr. Pierce thought seriously of calling it his "Consumption Cure," but abandoned that name as too limited for a medicine which, from its wonderful combination of tonic, or strengthening, alterative, or blood-cleansing, anti-bilious, pectoral, and nutritive properties, is unequalled, not only as a remedy for consumption of the lungs, but for all

CHRONIC DISEASES

Liver, Blood, and Lungs.

In many cases only a part of these symptoms are experienced. As a remedy for all such cases, Dr. Pierce's Golden Medical Discovery has no equal.

For Weak Lungs, Spitting of Blood, Shortness of Breath, Bronchitis, Severe Coughs, Consumption, and kindred affections, it is a sovereign remedy. Send ten cents in stamps for Dr. Pierce's book on Consumption. Sold by Druggists.
