J. Hepburn, manager of the Victoria Hy-
draulic Mining Company at the Forks of the
Queenselle, reports that his company have taken
water from Spanish Lake, and have laid about
eight miles of flume, the pipe being from four
feet at the inlet to 17 1/2 inches at the outlet.
On the south side of the Forks another hydrau-
lic company is at work, who have spent from
\$7,000 to \$8,000 on their claim.

The general verdict of the smokers of Canada
is that "Myrtle Navy" is the finest tobacco
they have ever used. There can be no mistake
upon this point for it is proved by this tangible
evidence. The large demand for this tobacco
shows it to be true, and the character of the
demand gives further proof. It has never been
of the spasmodic kind, up one month and down
the next. It has been a sustained and con-
stantly increasing demand. The unsurpassed
quality of the tobacco accounts for this.
