

Poetry.

THE SLAVE'S DREAM.

BESIDE the ungathered rice he lay,
His sickle in his hand;
His breast was bare, his matted hair
Was buried in the sand.
Again, in the mist and shadow of sleep,
He saw his Native Land.

Wide through the landscape of his dreams
The lordly Niger flowed;
Beneath the palm-trees on the plain
Once more a king he strode,
And heard the tinkling caravans,
Descend the Mountain road.

He saw once more his dark-eyed queen
Among her children stand;
They clasped his neck, they kissed his cheek,
They held him by the hand!—
A tear burst from the sleeper's lids,
And fell into the sand.

And then at furious speed he rode
Along the Niger's bank;
His bridle-reins were golden chains,
And, with a martial clank
At each leap he could feel the scabbard of steel
Snapping his stallion's flank.

Before him, like a blood-red flag,
The bright flamingoes flew,
From morn till night he followed their flight
O'er plains where the tamarind grew,
Till he saw the roofs of Caffre huts,
And the ocean rose to view.

At night he heard the lion roar,
And the hyena scream,
And the river-horse, as he crushed the reeds
Beside some hidden stream,
And it passed like a glorious roll of drums
Through the triumph of his dream.

The forests, with their myriad tongue,
Shouted of liberty;
And the blast of the Desert cried aloud
With a voice so wild and free,—
That he started in his sleep, and smiled
At their tempestuous glee.

He did not feel the driver's whip,
Nor the burning heat of day;
For death had dimmed the Land of Sleep,
And his lifeless body lay
A worn-out fetter, that the soul
Had broken and thrown away.

HERE IS YOUR REMEDY!

HOLLOWAY'S OINTMENT. A MOST MIRACULOUS CURE OF BAD LEGS AFTER 43 YEARS' SUFFERING.

Extract of a Letter from Mr. William Galpin, of 70 Saint Mary's Street, Weymouth, dated May 15th, 1851. To Professor Holloway—
SIR.—At the age of 18 my wife (who is now 61) caught a violent cold, which settled in her leg, and ever since that time they have been more or less sore, and greatly inflamed.—Her agonies were distracting, and for months together she was deprived entirely of rest and sleep. Every remedy that medical men advised was tried but without effect, her health suffered severely, and the state of her legs was terrible. I had often read your Advertisements, and advised her to try your Pills and Ointment, and, as a last resource, after every other remedy had proved useless, she consented to do so. She commenced six weeks ago, and straits to relate, is now in good health. Her legs are painless without scab or scar, and her sleep sound and undisturbed. Could you have witnessed the sufferings of my wife during the last 43 years, and contrast them with her present enjoyment of health, you would indeed feel delighted in having been the means of so greatly alleviating the sufferings of a fellow creature.

(Signed) WILLIAM GALPIN.
A PERSON 70 YEARS' OF AGE CURED OF A BAD LEG OF 30 YEARS' STANDING.

Copy of a Letter from Mr. Wm. Abbs, Builder of Gas Ovens of Kuschiffe, near Huddersfield, dated May 31st, 1851. To Professor Holloway—

SIR.—I suffered for a period of 30 years from a bad leg the results of two or three different accidents at Gas Works, accompanied by scorbutic symptoms. I had recourse to a variety of medical advice, without deriving any benefit, and was even told that the leg must be amputated, yet in opposition to that opinion, your Pills and Ointment have effected a complete cure in so short a time that few who had not witnessed it would credit the fact.

(Signed) WILLIAM ABBS.
The truth of this statement can be verified by W. P. England, Chemist, 13, Market Street, Huddersfield.

A DREAFUL BAD BREAST CURED IN ONE MONTH. Extract of a Letter from Mr. Frederick Turner, of Penshurst, Kent, dated December 13th, 1850. To Professor Holloway—

DEAR SIR.—My wife had suffered from Bad Breasts for more than six months, and during the whole period had the best medical attendance, but all to no use. Having before healed an awful wound in my own leg by your unrivalled medicine, I determined again to use your Pills and Ointment, and therefore gave them a trial in her case, and fortunate it was I did so, for in less than a month a perfect cure was effected, and the benefit that various other branches of my family have derived from their use is really astonishing. I now strongly recommend them to all my friends.

(Signed) FREDERICK TURNER.
A WONDERFUL CURE OF A DANGEROUS SWELLING OF THE KNEE.

Copy of a Letter from John Forfar, an Agriculturist, residing at Newburgh, near Hexham, dated May 15th, 1850. To Professor Holloway—

SIR.—I was afflicted with a swelling on each side of my leg, rather above the knee, for nearly two years which increased to a great size. I had the advice of three eminent Surgeons here, and was an inmate of the New-astle Infirmary for four weeks. After various modes of treatment had been tried, I was discharged as incurable. Having heard so much of your Pills and Ointment I determined to try them, and in less than a month I was completely cured. What is more remarkable I was engaged twelve hours a day in the Hay Harvest and although I have followed my laborious occupation throughout the winter, I have had no return whatever of my complaint.

(Signed) JOHN FORFAR.
AN INFLAMMATION IN THE SIDE PERFECTLY CURED. Copy of a Letter from Mr. Francis Arnot, of Breachouse, Lathian Road, Edinburgh, dated April 20th, 1851. To Professor Holloway—

SIR.—For more than twenty years my wife has been subject from time to time, to attacks of Inflammation in the side, for which she was bled and blistered to a great extent, still the pain could not be removed. About four years ago she saw, in the papers, the wonderful cures effected by your Pills and Ointment, and thought she would give them a trial. To her great astonishment and delight she got immediate relief from their use, and after persevering for three weeks the pain in her side was completely cured, and she has enjoyed the best of health for the last four years.

(Signed) FRANCIS ARNOT.
