## Faculty of Medicine

The Session 1910-11 opens on October 31st, 1910.

The course is of five years leading to the degree of M.D., C.M.

Double courses leading up to the degree of B.A. or B.Sc. and M.D. are also offered.

The central portion of the New Building including the Museum, and the East Wing are now ready for occupation. This will give accommodation for the Library, the Museum, and the Departments of Anatomy, Pathology and Bacteriology and will be thoroughly equipped and up-to date in every respect. The West Wing, to accommodate the Departments of Hygiene and Pharmacology will be ready for the opening of the Session 1911-12.

Besides the well equipped laboratories and thorough laboratory teaching McGill offers exceptional opportunities for students in the clinical branches having at her disposal the material of the Royal Victoria, Montreal General, Montreal Maternity and Alexandra Hospital for Infectious Diseases.

The Faculty also offers a Post Graduate Course, a course for the Diploma of Public Health, and a course in Dentistry leading to the degree of D.D.S.
