BULLETIN FUND.

Ebenezer.. .. .	\$10 00
Workers.....	2 80
Found.....	50

In connection with this fund we desire to say, that to close the account for the year we must receive at least \$90 between this and the New Year. Will our friends remember this subject in prayer. We have full reason to be grateful for past favors, and believe that when the year closes we shall be enabled to place at the head of our financial statement the inscription which one contributor has this week placed before his donation, "Ebenezer."

GOD IS LOVE.

OUR CLASSES.

Members will please take notice that the classes will open during the first week of December. The nights of meeting will be as follows:—

Bookkeeping—Mr. P. McIntyre.
Elocution—Mr. R. Lewis—Thursday.
Drawing—Mr. H. B. Gordon—Friday.
Phonography—Mr. A. McIntyre—Friday.

In connection with the class in Elocution, Mr. R. Lewis will, on Thursday, Dec. 6, give a lecture on "Vocal Culture." Our Young Men will do well to arrange to attend this lecture whether they purpose entering the class or not.

LABORERS TOGETHER.

OUR band of fellow workers is increasing. Some of the new recruits are young converts who have, in connection with the meetings, been led to the Lord Jesus. Full of love and zeal, they are now going forth "seeking to save" others.
