

BICYCLES.

Long-Legged Riders

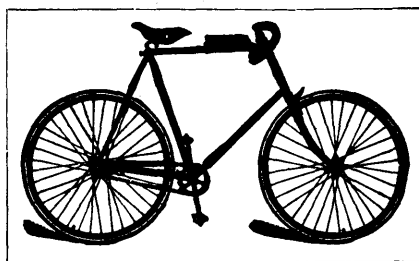

Have you seen the 27-inch High Frame

“KING OF SCORCHERS”

And the 22-inch Frame, K.O.S., for

SHORT RIDERS.

These all have the patent oil bath bearings, with locked adjustment. The greatest improvement of the season.

These Wheels are equalled by one other only in quality, being special grade; and equalled by **none** in durability and useful Improvements.

And the Price is Right.
