

NEWS AND NOTES.

The assessment in Halifax for the current year aggregates \$17,164,706.

Myriads of pimples, markings of tetter or freckles removed by Dr. Benson's Skin Cure. Solid fact.

The town of Charlottetown, P. E. I. has collected \$2,000 in fines from violations of the Scott Act.

A gentleman in a neighboring town who had suffered two years with a chronic diarrhoea and was so reduced that he could not walk, was cured and restored to sound health by Johnson's Anodyne Liniment. This Liniment is worth its weight in gold.

The Queen has conferred the blue ribbon of the order of the garter upon Prince Albert Victor, son of the Prince of Wales.

If bilious, or suffering from impurity of blood, or weak lungs and fear consumption (scrofulous disease of the lungs), take Dr. Pierce's "Golden Medical Discovery" and it will cure you. By druggist.

The British Museum is no longer to open its door at night, on the ground that its vast collections will be endangered either by gas or electricity.

FAVOURITISM is a bad thing, but Dr. Pierce's "Favorite Prescription" deserves its name. It is a certain cure for those painful maladies and weaknesses which embitter the lives of so many women. Of druggists.

A fish of solid gold, incised with mythological figures, after archaic Greek patterns, has been found at Ober Lausitz, near the boundary of Saxony and Silesia. As metal it is worth \$2,500.

The blighting effects of impure blood are sad to behold in those we meet day by day. This ought not and need not be so. Parsons' Purgative Pills make new rich blood; taken one a night for twelve weeks will change the blood in the entire system.

The Cape Ministry have announced an intention to ask the Home Government to take over the Transkeian territories, but they will defer legislation until after the general election.

The gloomy fears, the desponding views, the weariness of soul that many complain of would often disappear were the blood made pure and healthy before reaching the delicate vessels of the brain. Ayer's Sarsaparilla purifies and vitalizes the blood; and thus conduces to health of body and sanity of mind.

Mr. Pinker has brought out a reduced copy of the bust of the Archbishop of Canterbury which has been exhibited at the Royal Academy. The likeness is extremely good and—a quality which is not invariably found united with accuracy in artistic work—extremely pleasing.

Don't Doubt It. Failure is not always followed by failure, and although you may have tried remedies repeatedly without benefit, don't doubt that you will find the right thing yet. PUTNAM'S PAINLESS CORN EXTRACTOR is a positive remedy for corns, and once used at once cured. This fact has been vouched for by thousands who have used it. Sold by druggists. N. C. POLSON & CO., Kingston, Proprietors.

The solid silver mitre and crozier, of Bishop Wren, Bishop successively of Hereford, Norwich and Ely, have been recently brought to light at Pembroke College, Cambridge, England.

Free of Charge. By calling upon your Druggist, or sending to the laboratory of PUTTNER BROS., 125 and 127, Hollis St., Halifax, you will receive a bottle of BUND'S CREAM EMULSION, which we ask you to give an impartial trial, comparing it with any other in the market.

The Queen has conferred the Royal Red Cross upon Miss M. Selby, Miss J. King, Miss K. Forrester, Miss M. Thomas, Miss A. Crisp, Miss A. Yarkley, Miss A. K. Holland, Mrs. Janet King, and Miss Hornor.

Philosophy, Science and Experience have proved that the more a medicine resembles Nature in its curative action the more effective it is. This is further established by EAGAR'S WINE OF RENNET, which cures by supplying to Dyspeptics the real digestive principle.

According to the Times correspondent at Rome, it is stated that an examination of the ruins in Ischia shows that the destruction was in great part due to the imperfect construction of the majority of the houses.

Consumptives' attention is called to the fact that EAGAR'S PHOSPHOLEINE is not an untried remedy, but one that has been largely used and its power to relieve or cure assured before it was offered to the public. Call at M. F. Eagar's, Hollis Street, Halifax, N. S., and get a circular of PHOSPHOLEINE, and read the report of cures effected by this wonderful medicine.

Medical men have discovered and noted with concern that leprosy has gained a foothold in the north-western portion of Wisconsin, where the Norwegian element predominates, and that its eradication will require much effort.

Ayer's Ague Cure, when used according to direction, is warranted to eradicate from the system all forms of malarial disease, such as Fever and Ague, Chill Fever, Intermittent, Remittent and Bilious Fevers, and disorders of the liver. Try it. The experiment is a safe one, and will cost you nothing if a cure is not effected.

"Cured of aggravated sick headache by Dr. Benson's Celery Pills." Jas. P. Kelly, Tazwell, C. H., Va.

Major G. W. Candle, paymaster of the American Army, is the fortunate possessor of the first \$5 greenback ever issued. It bears the date of March 11, 1863, and is marked "No. 1 of series A," with the initials of William H. Seward in the north-east corner.

The Pall Mall Gazette says that the Government being aware of the serious difficulties that may arise from the proposed visit of the Maharajah Duleep Sing to Northern India, friendly overtures have been made to induce him to abandon his intention; and he will defer his journey to some future date.

PHYSICIANS

In high standing and with large practice do not hesitate to say that they find

Eagar's Phospholeine

a reliable and valuable remedy in wasting diseases. Read the following;

"Since giving you my last certificate I have had many opportunities of further testing your PHOSPHOLEINE, and of comparing its action with the Emulsions and preparations of oil in the market. I may state that I believe it to be the best preparation now offered to the public, the drugs and oil used being of the very finest quality, while the facilities and machinery used for mixing them are of the most perfect kind. I have no hesitation in saying that where oil is indicated EAGAR'S PHOSPHOLEINE will be found to be everything that is claimed for it by its proprietor.

W. B. SLAYTER, M. D., F.O.S.L., L.R.C.P., Eng. Consulting Physician Prov. and City Hospital. Lecturer on Diseases of Women and Children, Halifax College of Medicine. To M. F. Eagar, Esq., Chemist" For sale by all Druggists. In two sizes—25 and 75 cts. per bottle.

University of King's College, WINDSOR N. S.

This University was constituted by a charter of King George III., granted in 1802, and is under the control of the BISHOP of the Diocese, as VISITOR and CHAIRMAN, and a BOARD OF GOVERNORS, members of the Church of England, elected by the Alumni.

PRESIDENT: REV. CANON DART, D. C. L., M. A., OF OXFORD.

Religious instruction is given in conformity with the teaching of the Church of England, but no tests are imposed, and all its Privileges, Degrees, Scholarships, &c., except those specially restricted to Divinity Students, are conferred by the College, without any discrimination in favor of members of the Church.

There are numerous Scholarships and Prizes to be obtained by competition, and Students furnished with a Nomination are exempt from all fees for Tuition, the necessary expenses in such cases being little more than \$150 per annum for Boarding and Lodging.

A copy of the UNIVERSITY CALENDAR, and any further information required, may be obtained on application to the President, or to the Secretary, T. RITCHIE, Esq., Halifax.

The Collegiate School

of which the REV. C. WILLETTS, Graduate of the University of Cambridge, is Head Master, supplies an excellent preparatory course of instruction, enabling students to matriculate with credit at the College, and including all the usual branches of a liberal education.

The Head Master will be happy to furnish information in answer to applications addressed to him at Windsor.
