By a species of instinctive fealing, the peop mearly all countries are greatly averas to those medicinal preparations which contain mineral substances amongst their ingredients And yet, if the question was saked why they objected to this class of medicines, we presume few could give an intelli gent snswer. Nevertheless, the aversion is well founded.

All mineral substances, when taken into the stomach, are cumplative in their nature- that is to say, they remain either partly or wholly in the system and accumulate with each additional dose, anil in many cases the result is death. For example, ar Benic, although known to be a deadly poison, yet in certain parts of Switzerland is extensively used by the mountain guides as a means of giving them, vulgarly speaking 'long wind.' But although it is thus beneficial for a time, the ultimate result is always death

It therefore becomes evident that the popular dislike to mineral medicines is well founded, and it is doubtless in a great measure to the entire absence of any mineral substance that the wonderful success of

In every case when there is reason to suspect the In every case when there is reason to suspect the blood and humors of bing impure or viriated from whatever cause, Bristol's Vegetable Sugar coated Pills should be used in conjunction with the Sarsaparille, as they carry off the depraved matter, and a somplete cure more speedily ensues For Sale at all the principal Drug Stores.

Ayer's Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color with the gloss and freshness of youth. Thin hair is thick-

ened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.
