

**DR. MLANE'S**  
CELEBRATED  
**LIVER PILLS,**

FOR THE CURE OF  
Hepatitis or Liver Complaint,  
DYSPEPSIA AND SICK HEADACHE.

Symptoms of a Diseased Liver.  
PAIN in the right side, under the edge  
of the ribs, increases on pressure; some-  
times the pain is in the left side; the pa-  
tient is rarely able to lie on the left side;  
sometimes the pain is felt under the shoul-  
der blade, and it frequently extends to the  
top of the shoulder, and is sometimes mis-  
taken for a rheumatism in the arm. The  
stomach is affected with loss of appetite  
and sickness; the bowels in general are  
constive, sometimes alternative with lax;  
the head is troubled with pain, accompanied  
with a dull, heavy sensation in the back  
part. There is generally a considerable  
loss of memory, accompanied with a pain-  
ful sensation of having left undone some-  
thing which ought to have been done. A  
slight, dry cough is sometimes attendant.  
The patient complains of weariness and  
debility; he is easily startled, his feet are  
cold or burning, and he complains of a  
prickly sensation of the skin; his spirits  
are low; and although he is satisfied that  
exercise would be beneficial to him, yet he  
can scarcely summon up fortitude enough  
to try it. In fact, he distrusts every remedy.  
Several of the above symptoms attend the  
disease, but cases have occurred where  
few of them existed, yet examination of  
the body, after death, has shown the LIVER  
to have been extensively deranged.

**AGUE AND FEVER.**  
DR. MLANE'S LIVER PILLS, IN CASES OF  
AGUE AND FEVER, when taken with  
Quinine, are productive of the most happy  
results. No better cathartic can be used,  
preparatory to, or after taking Quinine.  
We would advise all who are afflicted with  
this disease to give them a FAIR TRIAL.

Address all orders to  
**FLEMING BROS., PITTSBURGH, PA.**

**GUYOT'S TAR.**  
CONCENTRATED PROOF LIQUEUR

M. Guyot has succeeded in depriving tar  
of its insupportable sourness and bitterness,  
and in rendering it very soluble. Profiting  
by this happy discovery, he prepares a con-  
centrated liqueur of tar, which in a small  
volume contains a large proportion of the  
active principle.

Guyot's tar possesses all the advantages of  
ordinary tar-water without any of its draw-  
backs. A glass of excellent tar-water without  
any disagreeable taste may be instantaneously  
obtained by pouring a teaspoonful into a  
glass of water.

Any one can thus prepare his glass of tar-  
water at the moment he requires it, thus  
economizing time, facilitating carriage and  
obviating the disagreeable necessity of hand-  
ling tar.

Guyot's tar replaces advantageously se-  
veral more or less inactive pians in the  
treatment of colds, bronchitis, coughs, and  
catarrhs.

Guyot's tar is employed with the greatest  
success in the following diseases:—  
AS A DRUG.—A teaspoonful in a glass  
of water, or two tablespoonfuls in a bottle.

**BRONCHITIS**  
**CATARAH OF THE BLADDER**  
**COLDS**  
**OBSTINATE COUGHS**  
**IRRITATION OF THE CHEST**  
**PULMONARY CONSUMPTION**  
**WHOOPIING COUGH**  
**DISEASES OF THE THROAT**

AS A LOTION.—Pure or diluted with a  
little water.

**AFFECTIONS OF THE SKIN**  
**ITCHINGS**  
**DISEASES OF THE SCALP**

Guyot's tar has been tried with the  
greatest success in the principal hospitals of  
France, Belgium, and Spain. Experience has  
proved it to be the most hygienic drink in  
time of epidemics.

Detailed instructions accompany each bottle

**Ayer's**  
**Hair Vigor,**  
For restoring to Gray Hair its  
natural Vitality and Color.

A dressing  
which is at  
once agreeable,  
healthy, and  
effectual for  
preserving the  
hair. It soon  
restores faded  
or gray hair  
to its original  
color, with the  
gloss and freshness of youth. Thin  
hair is thickened, falling hair checked,  
and baldness often, though not always,  
cured by its use. Nothing can restore  
the hair where the follicles are de-  
stroyed, or the glands atrophied and  
decayed; but such as remain can be  
saved by this application, and stimu-  
lated into activity, so that a new  
growth of hair is produced. Instead  
of fouling the hair with a pasty sedi-  
ment, it will keep it clean and vigorous.  
Its occasional use will prevent the hair  
from turning gray or falling off, and  
consequently prevent baldness. The  
restoration of vitality it gives to the  
scalp arrests and prevents the forma-  
tion of dandruff, which is often so un-  
cleanly and offensive. Free from those  
deleterious substances which make  
some preparations dangerous and inju-  
rious to the hair, the Vigor can only  
benefit, but not harm it. If wanted  
merely for a HAIR DRESSING,  
nothing else can be found so desirable.  
Containing neither oil nor dye, it does  
not soil white cambric, and yet lasts  
long on the hair, giving it a rich, glossy  
lustre, and a grateful perfume.
