Louis Comte. Hubert Pare, Michel Lefebyre, Alexis Dubord Joseph Larammee, Thos. McCready, F. J. Durand, Andre Lapierre, Esquires.

THE Directors of this Company are happy to call the attention of their fellow-citizens to the fact, that persons whose properties have been insured mutually, since its Establishment in October, 1859, have saved large sums of money, having generally paid one half only of what they would have paid to other Companies during the same time, as it is proved by the Table published by the Company, and to which it is referred. Therefore, it is with confidence that they invite their friends and the public generally to join them, and to call at the Office, No. 2 St. Sacrament Street, where useful information shall be cheerfully given to every one.

From the HON. THOMAS B. FLORENCE. From the HON. THOMAS B. FLORENCE. Rrom the HON. THOMAS B. FLORENCE. Washington, Jan. 1st, 1864.

Gentlemen-Having stated it verbaily to you, I have no hesitation in writing the fact, that I experienced marked benefit from your Hoofland German Bitters. During a long and tedious session of Congress, pressing and onerous duties nearly prostrated me. A kind friend suggested the use of the preparation I have named. I took his advice, and the result was improvement of health, renewed energy, and that particular relief I so much needed and obtained. Others may be similarly advantaged if they desire to be. - Truly your friend, THOMAS B. FLORENCE.

From the Rev Thos. Winter, D D, Pastor of Roxborongh Baptist Church.

Dr. Jackson - Dear Sir: I feel it due to your excellent preparation, Hoofland's German Bitters, to add my testimony to the deserved reputation it has obtained. I have for years, at times, been troubled with great disorder in my head and nervous system was advised by a friend to try a bottle of y man Bitters, I did so, and have experienced great and unexpected relief; my health has been very materially benefitted. I confidently recommend the article where I meet with cases similar to my own, and have been assured by many of their good effects .-Respectfully yours, T. WINTER, Roxborough, Pa.

From Rev. J. S. Herman, of the German Reformed Church, Rutztown, Berks Connty, Pa. Dr. C. Jackson - Respected Sir: I have been trou-

bled with Dyspepsia nearly twenty years, and have never used any medicine that did me as much good as Hoofland's Bitters. I am very fliach improved in health, after having taken five bottles .- Yours, with respect,

J. S. HERMAN.

From Julius Lee, Esq, firm of Lee & Walker, the most extensive Music Publishers in the United States, No. 722 Chesnut street, Philadelphia:

February 8th, 1864. Messrs, Jones & Evans-Gentlemen-My mother-in-law has been so greatly benefitted by your Hoofland's German Bitters that I concluded to try it myself. I find it to be an invaluable tonic, and unbesitatingly recommend it to all who are suffering from dyspepsis. I have had that disease in its most obsti-nate form—flatulency—for many years, and your Bitters has given me ease when everything else had failed .- Yours truly,

JULIUS LEE.

From the Hon. JACOB BROOM:

Philadelphia, Oct. 7th, 1863. Gentlemen: In reply to your inquiry as to the effect produced by the use of Hoofland's German Bitters, in my family, I have no hesitation in saying that it has been highly beneficial. In one instance a case of dyspepsia of thirteen years' standing, and which had become very distressing, the use of one battle gave decided relief, the seconding effecting a cure, and the third, it seems, has confirmed the cure, for there has been no symptoms of its return for the last six years. In my individual use of it, I find it to be an unequalled tonic, and sincerely recommend its use to the sufferers.—Truly yours,

"THE LAMP,"

New and Improved Series, in Weekly Numbers, price ld. In Monthly parts, price 6d. The Lamp in 1865. It is little more than two years ago since the New

Series of the Lamp commenced. The great increase in its circulation has been the most convincing proof that satisfaction has been given by the improvements effected in the periodical. It has been the happiness of the Conductor of this Magazine to receive the benediction of the Holy Father on the undertaking. A distinguished Prelate wrote from Rome as follows to the Proprietor of the Lamp: 'I have presented the Lamp to the Holy Father. He was much pleased, and directed me to send you his blessing, that you and all your works may prosper.' We have also had the assurance of the satisfaction of his Eminence the late Cardinal Wiseman, in whose archdiocese the Lamp is published, and whose kind assistance to the undertaking has been evinced several times by the contributions from his pen which are to be found in our columns. We are authorised to say that "His Eminence has been much pleased with the progress of the Lamp, and the position it has taken.

Encouraged, therefore, by the blessing of the Vicar of Christ, which is never unfinitful, and the approval of his Emigence, the Conductor of the Lamp looks confidently for increased support from the Catholic public. Much has been done to improve the Lamp; much remains to be done; and it rests chiefly with Oatholics themselves to effect the improvement. Our adversaries, and even we ourselves, often point to the well-got-up Protestant publications, and ask why Catholics cannot have something as good in point of material, ability, illustrations, &c. Nothing is more easy. If every Catholic who feels this, and who desires to to see a Catholic Magazine equal to a Protestant one, will take in the former for a year, there is at least a good chance of his wishes being realised. If every priest would speak of the undertaking in his parish once a year, and encourage his people to buy the Lamp instead of the various cheap publications too rapidly making their way among our youth, and our poor-pulications which can hardly be called Protestant, because they have no religion, and often openly teach immorality-the success of the Untbolic Magazine would be assured. It is their immense virculation, and the support they obtain from their respecetive political or religious parties, which enables these journals to hold their ground; and unless Catholics will give their hearty and cordial support to their own periocals in a simi lar manner, it is impossible for them to attain supe-

The LAMP has now the largest Circulation of any Catholic Periodical in the English language. It contains this week a New Story of great interest, and other articles of sterling merit, with illustrations by the first Artists of the day.
