The Tontine Investment Policy of The North American Mutual Insurance Company combines in one form the greatest number of advantages attainable in a Life Insurance Policy. It appeals at once to the intelligence of all who understand the principles and practice of Life Insurance.

All Policies whether on Life or Endowment Rates are subject to no higher charge in Premium Rates, in taking the "Tontine Investment" form. The extra benefits of this class are conditioned only upon continuance of the Policy for a certain specified term or Tontine period of ten, fifteen or twenty years, selected by the insured himself.

Two things most desired in Life Insurance are the certainty of protection in early death and profit in long life. These are combined in the "Tontine Investment Policy" of the North American Mutual Life Insurance Coy, which also issues Annuities and all the ordinary approved forms of Life Policies. Agents wanted.
