TORONTO, Feb. 15th, 1888.

Dear Sir.—This is to certify that I have thoroughly examined "Maguire's Flushing and Self-cleaning Trap." I am satisfied that it is a great improvement on the old "Croydon," and other traps, and of its many advantages. So satisfied am I with this new improvement that I have adopted it use throughout my works. I recommend its general adoption.

Yours truly,
E. J. LENNOX.
