An Investment Policy for \$10,000

ISSUED AT AGE 35

10 Annual Payments --- 20 Years' Insurance

By paying ten annual premiums of \$524.00 each, you secure \$10,000 of indisputable insurance, and at the end of twenty years you are offered your choice of three methods of settlement, adapted to various conditions of life. Total payments, \$5,240.00.

The first and most important option is to **withdraw cash**, estimated at \$11,500.00, over four per cent compound interest upon **every dollar** paid in—surely a **prime investment** (Life Insurance gratis); or you could take, instead, a Policy paid up for life for about \$21,200.00. Should you prefer, you may keep your original policy in force, **without further premiums**, receiving **Annual Cash Dividends** thereon, and draw from the Company (**in addition**) your cash surplus of about \$6,106.90.

Here you have three advantageous choices of **investment** and also the protection of Life Insurance **without cost**.

This is the **Model Policy** for conservative men of means not desiring to assume undue risks for the **Cash Guarantee of** \$5,393.10
—which is **independent** of all surplus—is amply sufficient to provide in **full** for the total premium upon your policy, which amounts to..... \$5,240.00

In other words, after having paid for ten years, adversity cannot deprive you of the ability to complete your payments. Then you have an absolutely **INDISPUTABLE** Policy, the **MINIMUM** of risk, the **MAXIMUM** of results, and ten days **ACTUAL GRACE** in the payment of each premium. The **Entire Reserve** (100 per cent.) is **guaranteed** in case of **lapse or surrender**.

EXAMPLE OF PAID UP POLICY

Without further payment, after 3 Years' Payments, Paid up Policy for..... \$3,000
Without further payment, after 4 Years' Payments, Paid up Policy for..... \$2,000

Example of Extension, Without Further Payment

For full amount of Policy..... \$10,000
After 3 Years' Policy, will be carried 9 years, 145 days.
After 4 Years' Policy, will be carried 12 years, 180 days.

THE ONLY POLICY ISSUED THAT PROVIDES "that at the end of the third or any subsequent year the holder may obtain from the company a loan equal to entire four per cent. reserve," a table of which is attached to policy.

This policy is offered by the old reliable **UNITED STATES LIFE INSURANCE COMPANY** of New York, established 1850. Full deposit with Canadian Government, Increase in new business in Canada for 1891 over 100 per cent. It will pay you to investigate.
