Mr. Mike Sandrock Vice President/Marketing

Waterloo Bedding Co. Ltd. is a Canadian manufacturer of health care and institutional products for over 80 years, including mattresses, mattress covers and pillows. Drapes and Privacy Curtains are custom sewn in the Waterloo facility. They also provide a complete line of alternative window treatments, blinds and shades. All fabrics are inherently flame retardant. Foreign agents and company representatives are preferred marketing channels for their products which are presently exported to the United States.
