

investments, investment partnerships, and the acquisition of international technologies.

Please consult APPENDIX B for the full address and a brief description of DFAIT's investment-related services.

5.6 RESPONSES TO YOUR ENQUIRIES

Initial responses from the investment counsellor, the Investment and Technology Bureau, or the relevant geographic branch of the Department of Foreign Affairs and International Trade, may seek clarification or additional information. They should be able to provide you with advice, perhaps identifying or suggesting firms, intermediaries or individuals warranting an appointment or interested in meeting with you.
