

*** REMOVAL EXPENSE CLAIM (ADVANCES) ***

1. Because the processing of removal expense claims may be delayed, the Department is prepared to make F.S.O.'s and F.S.E.'s an advance on claims. The advance can never exceed the total amount of the claim less any initial advance already received. It should be remembered that this advance in no way implies the Department's approval of the accounts in process. As soon as the removal expense claim has been fully processed, any monies owing to the Crown must be refunded immediately.
