

December 9th, 1925.

A. F. Riddell, Esq.,
Secretary, The Trafalgar Institute,
80 St. Francois Xavier St.,
Montreal.

My dear Mr. Riddell:-

With reference to the matters mentioned in your letter of the 8th of December, I cordially approve of advancing the hour of meeting from 4.30 to 4 o'clock, but I object to its being made 3.30. The adoption of the latter hour would mean that we would practically give up the whole afternoon to the affairs of Trafalgar Institute, something which I have not the time to do.

As to the legal adviser, I would suggest bringing this matter up before the Trustees at their next meeting. I think it advisable to carry the Board with us in matters of this kind.

Yours faithfully,
