MONTREAL, 2nd July, 1926.

Sir Arthur W. Currie,
Principal, McGill University,
Montreal.

Sir:-

Since forwarding the report to you as requested, I have learned from Mr. Brierley that he is unable to arrange for the proposed meeting next week.

The Chairman of their executive committee is out of town and the vice-chairman did not care to act in his absence. Mr. Brierley decided that the best course to follow, under the circumstances, would be for him to place a memorandum before their meeting, which is to be held on July 20th, and ask the members to appoint a sub-committee to meet with representatives of the League after that date.

Yours truly,

A. Grant Fleming, M. B.
Managing Director
