

Book Printing.

MYERS & SMITH still continue to carry on Letter-press printing in all its various branches; and propose printing works of any magnitude, neatly and expeditiously: they having procured extensive fonts of new type, and presses of the latest and best invention.

Book Publishers who are desirous of presenting any new publication to the public without delay, shall be accommodated to their utmost satisfaction, and at the lowest prices.

Correct estimates of the cost of any work whatsoever, will be given gratis.

Cards, Blanks, Pamphlets, Bills, Catalogues, Circulars, Military and Society Notices, Labels, &c. &c. neatly executed.

MUSIC, of an improved cast, and far superior to that in general use, correctly and cheaply executed; this font being very extensive, works of the largest size can be speedily printed; score copies of detached pieces &c. &c. printed at a moderate charge.
