THE T. EATON CO. LIMITED

RAWLINSON LEFT OUT BY OFFICIAL FIGURES

'Twas a Three-Cornered Nip-and-Tuck Battle—Also Close in Sixth.

The official returns issued by City Clerk Littlejohn yesterday indicated that Marmaduke Rawlinson was not elected to council in the third ward, consequently the three old members, Ald. Maguire, Heyd and McBride, retain their seats.

A spectacular fight in the ward was anticipated, and the figures show the belief well founded. Ald. Maguire led Ald. Heyd by 871, but the latter's vote of 2581 was only 4 above Ald. McBride's, while Ald. McBride had 28 majority over Mr. Rawlinson.

The official returns in no other respect alter the standing of the candidates.

In the sixth F. G. McBrien has 3703 to David Spence's 3654, a majority of 149.

The official voting on the bylaws and referendum will be made known today.

Capewell Called on Mayor. Hieron Capewell, who enjoys the distinction of having been beaten for the mayoralty by the largest vote known in the city's history, made a friendly call on the mayor yesterday. His worship congratulated him on having beaten Robert Bult Noble, and they parted on excellent terms.

May Be Deadlock. Gossip is already busy with the suggestion that there may be a deadlock over the election of a chairman to the board of education. Within the past few years several deadlocks have occurred, which, according to the current opinion, were decided by the extra vote of the trustee having the largest property assessment, and the fact that the separate school representative exercised this power caused some bitter feeling.

Eight of the Protestant slate candidates having been elected, if the remaining six unite with the two separate school members, there will be a tie-up, which, if broken in the usual way, will mean once again disappointing the ambitions of L. S. Levee.

Caught While He Slept. WINNIPEG, Jan. 3.—Bill Walton, alias "the Squirrel," who dynamited his safe in the postoffice at Auruan, Sask., and was trailed by a posse of 50 men, was arrested in a farm house at Nokomis. Magistrate Latta found him asleep and handcuffed him. There had been \$30,000 in the postoffice the night before. In transit for the Northern Crown Bank, Walton is wanted for jail-breaking at New Westminster, B. C. He stole the dynamite.

For Uttering Forged Cheques. Dr. Page was called, but could do nothing. An inquest is unlikely.

NEW YORK, Jan. 3.—James J. Gallagher, the disgruntled employee of the city, who shot Mayor Gaynor last August, was declared sane to-night by a jury in the supreme court in New York City. He will go to trial to-morrow in the same court, on an indictment charging him with shooting with intent to kill William Edwards, commissioner of street cleaning, of New York, who is slightly wounded by one of the bullets directed at Mayor Gaynor.

FOURTEEN FAMILIES HOMELESS.

PITTSBURG, Jan. 3.—Fire caused by a gas explosion to-day destroyed nine business houses and two large tenement houses, besides damaging several other buildings at Woodlawn, a new steel town on the Ohio River just below this city. Carrier tried to get it away from him, and in the melee the rifle was discharged, and the bullet entered the shoulder of one of the Boutins, who was lying on the sofa. He is not expected to recover.

Cobwebs in the Morning

Cobwebs in the head on rising in the morning is the result of a Lazy Liver, one or two mornings in succession and sick headache follows.

Father Morrison's Liver Pills will clear the brain.

These Pills are a purely vegetable compound, prepared with great care, and are without doubt the very best pills for general use on the market.

The greatest cure has been given to selecting the ingredients, and being entirely vegetable, they act upon the liver and bowels in such a manner as not to disturb the other functions of the body as many pills do.

As a Liver Invigorator, Blood Purifier and General System Renovator, they are unequalled. Sick headache is invariably brought on by a sluggish liver, constipation or irregular bowels; these pills are a cure for sick headache in any form.

Pimples, eruptions and yellow skin are often caused by a lazy liver; one pill three times a week will soon clear the complexion. Price 25c per box.

BATTLE OVER \$10,000 CHEQUE

Manager of Bank Initiated It, But This Didn't Make It an Acceptance.

That a bank manager's initial on a cheque doesn't imply his acceptance thereof, tho't it may empower the ledger-keeper to issue an acceptance, is the basis of a judgment in the divisional court yesterday.

A ruling was given permitting T. M. Scott and the Dominion Bank to appeal from Mr. Justice Sutherland's dismissal of their action against the Merchants' Bank for \$10,000. The appeal is conditional on the plaintiffs amending their pleadings.

While manager of the Berlin branch of the Dominion Bank, Mr. Scott created C. A. Huether with a cheque for \$10,000, initialed by Manager Deaslet of the Merchants' Bank at Berlin. The cheque did not bear the acceptance stamp of the Merchants' Bank, however, and when the Dominion Bank presented it, then Scott sued the Merchants, the Dominion Bank becoming a co-plaintiff.

While the divisional court dismisses Scott's appeal, the "initial" branch of the case, a new trial is allowed, because of the circumstances under which the cheque was initiated. In any event, the plaintiffs must pay the costs up to the present.

MAY HAVE NO SUCCESSOR

William E. Corey, President of U. S. Steel, Has Resigned.

NEW YORK, Jan. 3.—William E. Corey, president of the United States Steel Corporation, resigned to-day, and it is likely that he will have no successor. The finance committee may reach the election of a vice-president or two vice-presidents, who will be expected to take special charge of different departments.

The first president of the U. S. Steel Corporation was Charles M. Schwab, who, following his resignation, became president of the Bethlehem Steel Co. Mr. Corey has served seven years.

Something like a year ago the powers of the chairman of the finance committee and of the chairman of the board of directors, both of which Mr. Gary is, were enlarged to include not only the administrative affairs of the corporation, but the details of executive management. Unless another president is named, therefore, or another chairman succeeds Mr. Gary, he becomes chief in authority over all provinces of the largest corporation in the world.

DR. STINSON'S APPEAL FAILS.

The appeal of Dr. Albert W. Stinson of Cobourg, from the decision of Justice Riddell, dismissing a motion prohibiting the College of Physicians and Surgeons from further enquiry into a charge against him of performing a criminal operation, was dismissed by the divisional court yesterday. He was acquitted on this charge by a magistrate, and now claims that this freed him.

In writing his judgment Chief Justice Meredith says that the fact that Dr. Stinson has been acquitted is a defence to the charge made against him, and should be presented to the tribunal whose duty it is to make an enquiry.

No Signs of Typhoid.

No cases of typhoid fever have been reported in the last two weeks, and Dr. Hastings, M.H.O., states that this is due to the scientific treatment of the city drinking water with chlorine of a criminal operation, was dismissed by the divisional court yesterday. He was acquitted on this charge by a magistrate, and now claims that this freed him.

For some time past there has been no hypochlorite found in the city water.

BRANTFORD, Jan. 3.—(Special.)—The police here yesterday stopped the employment of a number of children, ranging in age from 4 to 10 years, who were appearing at the Grand Opera House in the performance of the "Lilliputians." The manager of the play withdrew the children from the act and secured permission from the mayor for those between 10 and 16 years to continue. The claim was also put forth that the youngsters were picked up in Montreal, where they had no homes, and that their activity was for their own betterment.

STATUE TO GEN. WOLFE

Unveiled by Lord Roberts at Westernham, Eng.

LONDON, Eng., Jan. 3.—The statue of General Wolfe at Westernham—described by The Standard as a "very tardy acknowledgment to the worth of a great soldier"—was unveiled yesterday by Lord Roberts. Among those present at the ceremony were Lord Strathcona, and Sir Charles Tupper. Laurel wreaths were sent by Canadians resident in Britain.

In his address Lord Roberts said that to Wolfe Britain was indebted for the greatest of her dominions. He described how Wolfe, by a daring plan, led his troops to victory at Quebec. "It is one of the brightest pages in the history of the empire," he said, "and never loses its thrilling interest for the nation."

The course adopted was only justified by Wolfe's firm belief in the courage and discipline of his troops, and by the fact that the same great feeling was reciprocated towards the commander.

No wonder, when mortally wounded, he was able to murmur, "I die content."
