## WAR LORD FOR PEACE.

Emperor William Wants Every German  
to Fight a Home.

St. Johann, Saarbrücken, Prussia,  
May 15.—Emperor William, replying to  
the burgomaster's address of welcome  
upon the arrival of his majesty here  
yesterday, recalled the year 1870, when  
Emperor William I. passed through  
Saarbrücken on his way to the battle-  
field of Spicheren. The emperor said:  
"To his efforts and to the grace of  
God is due the fact that Saarbrücken  
is no longer a frontier city. This  
territory is no longer open to devastat-  
ing attacks by an enemy, for I, his  
successor, as the German Emperor, will  
never again be devastated by war, for  
so long as every German does his  
duty to the fatherland, namely, founds  
a home and dedicates his forces to the  
fatherland, so long will our unity shield  
it to the world without as it must  
in order that the German Empire may  
be able to preserve the peace of my  
land. As we have a clear conscience  
and have kept our word, we will stand  
by our should hostile forces attack  
our peacefulness."

In conclusion, Emperor William ex-  
pressed the conviction that the citi-  
zens of Saarbrücken would always  
strike for their altars, the empire, the  
emperor and the fatherland.

## A TWO-CENT PASSENGER RATE.

Bradford Witness: There can be no  
substantial reason why there should  
not be a two-cent a mile rate on Cana-  
dian railways. The three-cent rate  
has been endured too long by the coun-  
try, which has done so much towards  
building up the railways. The three-cent  
travel has become so great that both  
freight and passenger rates may be  
reduced and yet the earnings would  
be large enough to afford a fair re-  
turn for the real cost of construction.  
The opportunity is now offered to  
test this boon for the people.

## TEST CASE AT GUELPH.

Guelph, May 15.—A private citizen told  
an information against Mr. Williams of  
the Grand Central Hotel on Friday af-  
ternoon for keeping his guests after 10  
o'clock, the hour limit set forth in  
the new regulations of the commission-  
ers. The inspector had refused to let  
the charge, even at the request of the  
hotelmen, and two of the police com-  
missioners endeavored to lay an informa-  
tion, but it was not accepted on the  
grounds that Mr. Williams' action had  
not been considered an infraction  
of the law. The charge made by the  
citizen, however, will be heard before  
the magistrate at 11 o'clock Monday  
morning, and his action will be swayed  
by the hotelmen. If it is not satis-  
factory an appeal will be made.

You won't harden or shrink  
woolens with Sunlight Soap.  
The purity of the oils and fat,  
and the absence of free alkali  
prevent that.
