Michigan Ball Bosses Are in Mint Circuit To Stay, All Declare

FLINT, Aug. 22.—The four Mint League Club presidents in Michigan have been interviewed over this week and relative to the story that emerged from Hamilton Saturday to the effect that Mr. Maines would drop Saginaw, Bay City and Battle Creek out of the M.-O. race in 1921, keep Flint, take on another Michigan city, then add Montreal and Ottawa. The club bosses say with a smile that they are in the league to stay, and that so far as that end of Mr. Maines' last trip to Canada is concerned the journey was a failure.

"We are all set for 1921 already," said Judge Clements of Saginaw, and he smiled sweeter than at any other time all year. Halligan grinned, pulled forth than at any other time all year. Halligan grinned, pulled forth another cigar from his upper coat pocket and quoth he "Let them hop to it for me. I am fed up with Canada getting all the breaks in the league anyway. It's sure been a one-horse affair this season, but I have sold ball players, and further I have delivered them, and the latter is not what Brantford can say, even if they do a lot of talking about it. Brantford has talked and talked about buying and selling big Brantford has talked and talked about buying and selling big leaguers all season. Why don't they do it?" questioned T. J. It's high time that Brantford either sold a player and delivered him or kept quiet on the subject altogether," he added. "I am, however, proud of Kitchener for the stand they took there on the Morrisette question, and I regard Mr. Williams as a live and wideawake ball club president," said Hälligan.

OTTAWA, Aug. 21.—J. A. Steele, C. A. S. C., of Guelph, won the governor-general's prize in the D. C. R. A. meet today with a score of 215. Major George Mortimore, G. G. F. G., and Sergt. Steele were tied for first place, and the Guelph man won in the shoot-off.

The winning of the governor-general's prize is the highest honor in rifle shooting in this country. It holds the same position in the D. C. R. A. that the king's prize does in the Bisley meet. The governor-general's match is in two stages. The first stage is seven rounds each at 200, 500 and 600 yards and the highest 150 contestants are eligible for the second stage, which is ten rounds at 300 yards, and 15 rounds at 600 yards. The possible for the two stages is 230. The first four prizes are restricted to soldiers, the remaining prizes being open to members of civilian rifle associations. The first prize is the D. C. R. A. gold medal and \$200; the second prize \$150.

With the finish of the governor-general's proved a splendid cometation will be held in the new Condaction. The meeting was the first the ranges have been limited to 200 and 600 yards, and the first time the meet has been shot with the new Lee-Enfield under service conditions.

The final stage of the governor-general's proved a splendid contest, and Major Mortimer, who led with 101 in the first stage, only lost out in the very last tie shot. With Lieut. J. A. Steele, C.A.S.C., Guelph, he finished the second stage ten shots at 300 yards and 600 yards and 400 yards the second prize shot with the new Lee-Enfield under service conditions.

Those Michigan-Ontario officials, and it is to be hoped that they are not the ones responsible for the schedule, who are counting upon a reorganization of the circuit next year, involving absorption of Ottawa and Montreal, may have their calculations rudely upset. It is a well-known fact that the International League is also faced with the necessity of cleaning house, and that Montreal is one of the cities regarded as a good home for an International League club. Present indications are that the winter months will find some of the officials moving right smartly in an effort to build up an organization that will show more strength than the M.-O.
