AS YOU WERE

While Brennan did not startle the world last night by toppling Jack Dempsey off his throne, he did wake fight fandom up by sticking in the same ring with him 12 rounds. In doing this, Brennan probably runs the number of minutes he has spent with Jack within the squared arena up a bigger total than all the men Dempsey has met just before and since he became champion.

It means that Brennan should be considered now for another chance before any half million-dollar purses are held out for Carpenter and Willard and others to share.
