TECHNICAL EDUCATION FOR TORONTO

BOARD OF EDUCATION ELECTIONS.

To the Electors of the City of Toronto:

Next year will be a vitally important year in the educational affairs of Toronto. The plans of the new Technical School will be carried forward, and the expenditure of some hundreds of thousands of dollars will be undertaken for the commercial, industrial and domestic training of the boys and girls of this city. Labor, organized and unorganized, as well as employers, are deeply concerned in

In the interest of Technical Education the undersigned voters take this method of recommending the re-election of certain members of the present board who have already given much thought and time to the matter, and in whose int - st this announcement appears without solicitation or cooperation on their part.

Without criticism of other aspirants to the Board of Education, we urge the importance of re-electing the following gentlemen: C. A. B. BROWN, an earnest supporter of Technical Education, and a valuable man for the financial work of the board

DR. WILLIAM BRYANS, an enthusiastic member of the sub-committee which visited many successful Technical Schools in the United States, and whose knowledge and assistance in the matter

of Technical Education have been and will be of value.

WILLIAM HOUSTON, a man thoroughly familiar with education problems, and Chairman of the same sub-committee which visited the Technical Schools in the United States, and which studied these problems from the wage-earners' standpoint.

We would respectfully commend these gentlemen to your cordial support as three of the six
