FOUR MILLIONS IN TORONTO YESTERDAY

(Continued from Page One.)

of Liberty bonds in the United States, and his meetings brought into Wall Street the biggest crowds that ever gathered there. He has purchased many Liberty bonds, and he is also the holder of a big block of Canadian Victory bonds.

A representative of the Toronto Publicity Committee went to Montreal last night to complete plans for Mr. Laurier's sale of bonds here.

Double Up.
Today and on Monday those who under-subscribed to the Victory Loan will be asked to double, if not more than double, their subscriptions. This appeal to the citizens is part of a new and vigorous plan of campaign approved by the Toronto executive committee.

to secure the city's objective of \$75,000,000. This can be done, the executive feel assured, high the Toronto's objective is, if the new scheme is to be followed out wholeheartedly by the people. Its successful working out depends chiefly on those who have already subscribed and who can afford raising their subscriptions and on those who intend to subscribe investing to the maximum of their ability. The new scheme detailing how the forty-four million dollars are to be secured in eight days looks big on paper, but there is an air of confidence that it will carry. The amounts which the canvassers and the special clients committee have to raise before the end of the campaign are allocated. It is hoped that \$3,500,000 will be secured today, five millions on Monday and then increased amounts each day until the close.

Big Day Tuesday.
Tuesday will be industrial day, when reports of what has been accomplished by the different organizations in factories and works will be presented in the evening.

Wednesday evening will mark the winding-up of the campaign in its present form, and the occasion will be marked by a demonstration and banquet at which Mr. Gompers may be present. A special whirlwind campaign will mark the last three days of the drive.

That some people at least are not averse to a second appeal from the canvassers was proven yesterday when one of J. O. McCarthy's men turned previous subscribers for \$300 into \$11,000 in a short time.

At the civic luncheon at which the several commissioners from Massachusetts who are in the city investigating street railway conditions were the guests, Mr. Morley, H. H. Williams, right-hand man, put through a good bit of business when he sold bonds to G. M. Morris, James H. Neal and Albert S. Ritchey, three of the commissioners.

Yesterday headquarters in the Northern Building swarmed with girls sending off 50,000 messages to many allies of the Victory Loan who had subscribed. The message urged each recipient to urge a friend to buy a bond and help the community to move together to make Toronto's showing the best of which it is capable.

Headquarters is also issuing a special card which can be used when making Christmas presents of Victory bonds.

Labor Men Help.
The undersigned Canadian delegates, attending the convention of the American Federation of Labor, now in session in the City of Buffalo after discussing the Victory Loan with the executive council of the American Federation of Labor and the executive officers of a few of the international unions, are pleased to inform your committee that the following labor organizations have decided to buy Victory Loan war bonds to the amounts opposite their names, not only for their own financial value as an investment, but as a guarantee of their fealty to the cause of the allied American Federation of Labor, \$10,000; International Union of Bricklayers, Masons and Plasterers, \$15,000; International Boot and Shoe

DR. CHARLES SHEARD SPEAKS TO WOMEN

Tells Ward Three Union Advocates of Importance of Getting Voters Interested.

Union government women of Ward 3 held a very interesting meeting last night in their committee rooms, 615 Yonge street. Dr. Charles Sheard addressed the meeting, his theme being the importance of getting the women voters interested in the great issue. He said: "Only women can win this war, unless the women co-operate with us in this work we have undertaken we can never carry it thru."
Mrs. Brandon, the president of Ward 3 women, introduced Mrs. L. A. Hamilton, who, in a few earnest words, impressed upon the women the urgent need of sacrifice of time, work and all other things for the sole purpose of getting out the woman vote.
The women of Ward 3 will have a special "canvassers" when every house will be visited. The committee rooms are open from 9 a.m. until 10 p.m. every day. Mrs. Riches is the convenor in charge. Miss M. E. Hassard is the secretary, and Mrs. Brandon, president.

WOMEN'S COMMITTEE MEETS.

At a committee meeting of the Women's Union Government League, held yesterday afternoon, it was unanimously decided after ward organization had been explained by Mrs. Van Roushmet and Mrs. G. S. Linney, that the league would co-operate in every way possible and get others to offer their services in the work of canvassing.

On Sunday evening at the Alexandra Theatre a meeting will be held at which Rev. A. J. Johnston will speak on "United We Stand," and Rev. L. Skey will lead in prayer.
