A Drugless Cure for Weak Men

Every weak person wants to be strong. You have tried drugs, and, as they failed, you believe there is no cure for you. Now, you are in error, as I can prove by the thousands of testimonials I have received from grateful patients in every state in the Union, and as I can prove to you in your own case if you will let me. Most of my patients are people who came to me as a last resort and have gone away cured. You can be cured, too, if you will come to me. All I ask is a fair chance to prove to you that my drugless method cures. No man is weak without some good reason for it. It matters not whether it is by overwork, exposure or dissipation. I can restore to you your lost strength, fill your nerves with Electricity (which is the foundation of strength), make you feel bright, happy, full of energy and ambition—a renewed man. Come to or write me to-day and I will cure you with my

Dr. McLaughlin's Electric Belt.

It is a pleasure to wear my Belt. You put it on when you go to bed and get up in the morning with increased strength and glad to begin your day's work. My Belt never burns and blisters as do the old style (so-called elecbegin your days work. My Belt never burns and blisters as do the old style (so-called electric) belts. I have a Special Electric attachment which I give free to every weak man who wears my Belt. This attachment carries the current direct to the weak parts, and fills them wears my Bott. This attractment carries the current direct to the weak parts, and fills them with its warm, vitalizing power, causing the blood to again circulate in a free and natural way, thus bringing about a sure and lasting cure. Weakness, Varicocele, Rheumatism, Sciatica, Weak Back, Lumbago, Kidney, Liver or Stomach Trouble, Indigestion and Constination, which were the constituted by the last of principles and the last of principles and the last of principles. pation are all quickly cured by this New Method of mine for applying "Electricity." Don't put it off any longer. Act to-day. To-morrow may be too late.

After you have read the above, write to me, explain your case, and I will at once tell you if I can cure you or not. To prove to you the confidence I have in the curative power of my Belt, I am willing to accept your case, and after I have cured you, then pay me. All I ask is reasonable security. You may then use my Belt at my risk, and

PAY WHEN CURED.

I don't think there is any case of weakness, failure of vitality or of any trouble resulting from the imperfect action of any organ of the body that I can't cure. Of course, I do not cure all cases, but I have such confedence in my treatment that I will pay \$1,000 for a case that comes in my line of treatment which I can't cure fidence in my treatment that I will pay \$1,000 for a case that comes in my line of treatment which I can't cure with my recently perfected appliance. I am now curing troubles which I would not touch before. I want you to give me credit for what I prove. There's nothing surer than the word of an honest man, and when such men as these admit that I cured them, you know that I can cure you.

HERE IS PROOF OF MY ARGUMENTS:

"I considered mine a very bad case, as I have been troubled with my back a great deal, but I have found a cure in your Belt."-GEORGE STANLEY, Perth, N.B. "I feel stronger in every way and the rupture is entirely gone; it is everything you say and more, for it is a sure cure."—
WM E. GOOD, Indian Head, Assa.

"I have found out for sure that medicines are a failure. Your Belt has cured me, and I believe my present good spirits due to your directions and treatment."—P. J. RYCKMAN, Maclood, Alta. "It will be a great pleasure to me to recommend your Belt to anyone suffering from stomach trouble or weak back."—

JAMES LYNN, 751 Gerrard Street East, Toronto, Can. FREE BOOK. CALL TO-DAY. Call and test my Belt free, or, if you can't do that, send for my book about it, also free. No charge for consultation. Don't delay, as I can help you.
