

and the offering amounted to \$31.35, which we thought was very good considering the size of the meeting.

The Rev. Mr. Clark kindly gave a very interesting lecture under the auspices of the Auxiliary, the subject being a "Sketch of the life and work of J. G. Paton." There was a large attendance and a very liberal collection in aid of the funds of the Society.

The total amount collected during the year was \$124.37, and also goods to the value of \$80.

On reviewing the work of the year just closed, we feel that there is much cause for thankfulness and encouragement, but we desire more and more to extend our sympathy and help to those who are living in darkness and the shadow of death, that they may be brought into the glorious light and liberty of the Sun of Righteousness.

MRS. PATTULLO,
President.

E. H. GIBSON,
Secretary.
