

# INGERSOLL FOUNDRY.

## EASTWOOD & CO.,

MANUFACTURERS OF IMPROVED COMBINED  
SELF-RAKING

# REAPERS & MOWERS

AMONG WHICH ARE THE CELEBRATED

## Dodge and Stevenson Patent Combined Mower and Self-Raking Reaper,

Which has been admitted to be unrivalled on this continent. Wherever it has been put up in competition with other Machines it has proved itself the Champion in every contest. The renowned *Ball's Ohio Combined Reaper and Mower*, with the Dodge Self-Rake, was brought to its present state of perfection by us last summer. A single trial of this Machine will convince any person of its great superiority. In addition to the above we are manufacturing a Single Mower, known as the *EAGLE MOWER* throughout the Province. It is a fact, worthy the attention of every farmer, that, as a Single Mower, this Machine is really the best the market offers. We would call particular attention to our

FIRST PRIZE

## *Threshing Machines,*

Which are meeting with such unprecedented success throughout the Dominion. They took the First Prize and Diploma at the Provincial Exhibition, at London, in 1869. We also manufacture all kinds of

## SAWING MACHINES,

LAND ROLLERS, CUTTING BOXES,

CULTIVATORS, PLOUGHS,

HORSE HOES, &c.. &c.,

All made from material selected with the greatest care, and on which none but the most skillful workmen are employed.
