**Roberts-Wilson.**

At the home of the bride's parents, Mr. and Mrs. J. O. Wilson, 48 Kennedy street, Miss Mildred Alice Wilson was united in marriage by Rev. Dr. D. Hutchinson, to Roy C. Roberts, son of Mr. and Mrs. David Roberts, of Kennedy street, last evening. The bride was dressed in white satin with pearl trimmings and princess lace. She also wore a veil and orange blossoms and carried a large bouquet of bridal roses. She was given away by her father, John O. Wilson. Her aunt, Mrs. (Dr.) Wilson, officiated at the piano and played the wedding march. The guests from out of town were, Mr. and Mrs. Dr. Wilson, of St. Stephen; Mr. and Mrs. W. Humphrey, of Cambridge, Queens county; Mr. and Mrs. Bull, of Woodstock, and numerous other friends. The wedding presents were very numerous and beautiful. The bride and groom will leave tomorrow morning on a yacht cruise up the river to the Narrows and other points. On their return they will reside in the city.

**MacAllen-Vroom.**

A very pretty wedding was solemnized last evening at 7 o'clock at Stone church, when Archdeacon Crowfoot united L. MacAllen and Miss Jennie Vroom in holy matrimony. The bride was given away by her brother, Mr. Gillead. Mr. MacAllen is employed by the C. P. R. at Quebec, but comes to the city during the winter season. The bride is a very well known young lady of the city.

and was employed with Reid and Archibald, engineers and contractors. The young pair will leave on the Digby boat for Nova Scotia this morning where they will spend a few days, returning to the city on Saturday.

**Hayes-Doherty.**

A wedding of interest was solemnized at St. Francis Xavier church, Sussex, Monday morning at 10 o'clock when Rev. J. J. McDermott united in marriage Mary Teresa, eldest daughter of Mr. and Mrs. James Doherty, of Rockville, and Warren B. Hayes, of Moncton. Miss Alice Doherty, sister of the bride, acted as bridesmaid while the groom was supported by his brother, Urban J. Hayes.

**Sullivan-Allen.**

St. Michael's Cathedral, Chatham, was the scene of an interesting ceremony Thursday afternoon when Lily Allen, daughter of Sergeant and Mrs. Robert Allen, and Fraser Sullivan, son of Mr. and Mrs. James Sullivan, of Newcastle, were united in marriage by Rev. M. O'Keefe.

**West-Archibald.**

Hopewell Hill, Aug. 22.—(Special)—The home of Mr. and Mrs. Luther Archibald at this place was the scene of a very pretty wedding this evening when Miss Mary E. Archibald, Mr. and Mrs. Archibald's eldest daughter, was united in marriage to Clifford C. West, one of the young men of the village, son of the late W. A. West. The ceremony took place at 8 o'clock and was performed by the Rev. Richard Opie, pastor of the Methodist church.

**Light Breakfasts**

Thoughtful people these days are urging economy in eating, and many are even advocating "no breakfast."

The "no breakfast" plan may agree with some, but most people feel better and work better on at least a light breakfast.

A great many have found that a liberal dish of Grape-Nuts, served with cream, milk, or fruit juice, furnishes ample morning nourishment, is easily digested, and promotes buoyancy and clearness of mind.

**Grape-Nuts**

contains all the nourishing goodness of wheat and barley, including the vital mineral salts of the grain, and is a most delicious food.

**British Gained More Ground In Their Attack Yesterday**

London, Aug. 22.—The British troops, attacking fiercely again today, have captured important strategic positions for a mile along the Ypres-Menin road, to a depth of nearly a third of a mile, and further to the north carried forward their front about a half a mile over an extent of two and one-half miles.

The fighting, according to the official report from British headquarters tonight, was of the most desperate nature, the prisoners taken bearing a small ratio to the losses inflicted on the Germans.

The text of the statement reads: "Successful operations were undertaken by our troops this morning to the east and northeast of Ypres for the capture of a series of strong points and fortified farms lying a few hundred yards in front of our positions astride the Ypres-Menin road, and between the Ypres-Roulers railway and Langemark."

"Bitter fighting has taken place at all points. The enemy again launched repeated counter-attacks, which suffered heavy losses from our artillery and machine gun fire."

**HIGH GROUND CARRIED IN BITTER FIGHT.**

"The struggle was particularly fierce in the neighborhood of the Ypres-Menin road, where the enemy fought desperately to retain command of the high ground. Here our line has been advanced to a depth of about 500 yards on a front of about a mile."

"A position giving important observation to the eastward was captured by us, and our troops established themselves in the western portion of Inverness Copse. Further north our line has been carried forward on a front of two and a half miles to a greater depth of over half a mile."

"The garrisons of the captured farms and strong points resisted with the greatest stubbornness. In many cases isolated positions were only reduced after fighting lasting throughout the greater part of the day."

"In these operations we captured over 250 prisoners, but by reason of the obstinate nature of the fighting the prisoners taken bear more than a usually small proportion to the total losses inflicted."

"The number of prisoners taken by us in the course of yesterday's fighting in the neighborhood of Lens is 194, bringing the total in this neighborhood since the morning of Aug. 15 to 1,378. In the same period we also captured in this area 34 machine guns and 13 trench mortars, so far counted."

"Yesterday there was again great activity in the air on both sides. Severe fighting took place. Twelve German airplanes were brought down by our machines. Five others were brought down out of control. Twelve of our airplanes are missing."

**Threaten Closure at Ottawa**

Ottawa, Aug. 22.—The house spent practically the entire day in committee on the Military Voters' Bill. This was the third day the measure has been under consideration in committee, and still little headway has been made. The opposition has continued to put forward objections to the loop holes in the bill for manipulation of the soldiers' votes by partisan returning officers. The government has adhered to its determination to pass the bill practically in the form it is introduced.

There is some talk by the more reckless partisans on the government side of the house of forcing the bill through under the closure rule. Should this prove to be the case it will be the first time that closure has been invoked to secure the passage of a bill since it was passed in 1914, to facilitate the adoption of the Naval Service Bill to give \$35,000,000 for Dreadnaughts. The opposition, however, is not scared by the threat. The effort to secure necessary safeguards will be continued tomorrow.

There were no developments in the political situation today. Premier Borden is now awaiting some hopeful message from the western Liberals with whom he has been negotiating. They have gone back to Winnipeg to talk things over, there with their colleagues. Meanwhile the premier's followers in parliament are predicting another failure and are chafing at the continued "inaction and indecision" of their titular leader.

**May Commandeer Coal Schooners**

Ottawa, Aug. 22.—Sir George Foster in the commons today in his review of the coal supply indicated that both the United States and Canada might be put on "coal rations." In any event a call would be made on all interests to economize in the use of coal. The fuel controller, C. A. Magrath, does not fear a coal famine if proper economy is used. For the maritime provinces Hon. J. D. Hazen intimated that schooners might be commandeered for coal transport to an adequate fuel supply for that part of the dominion.

Hon. Dr. Pugsley asked regarding arrangements for sending coal to Halifax and St. John, where a coal famine was feared on account of lack of transportation. Hon. J. D. Hazen replied that for some time past efforts had been made to get vessels to carry coal to Halifax and St. John but war conditions had caused great difficulty, freights having jumped from \$1.50 to \$6.00 a ton, while only small quantities were coming in schooners.

Another difficulty was no facility for carrying large quantities of coal at either Halifax or St. John. On Monday a meeting had been held at Montreal at which the fuel controller, Mr. Magrath was present with various transportation men, and the general opinion was expressed that there was no danger of a coal famine, while coal transportation was largely a question of schooner transport.

"I have therefore," said Hon. J. D. Hazen, "notified my deputy minister that I would be prepared to recommend the commandeering of a certain number of schooners to bring the necessary coal to the Maritime Provinces' ports at a price fair under existing circumstances and considerably less than those now charged. This I believe would be possible by acting in conjunction with the coal dealers, and would greatly reduce the cost of coal there."

**DEFENDS HIGH COAL PRICES**

Illinois Operator Testifies Coal Men Want All They Can Get

St. Louis, Aug. 22.—William S. Scott, president of the Missouri and Illinois Coal Company, which leases coal mines near Belleville, Ill., testified at a hearing of the Missouri inquiry into the high prices of fuel that it was the policy of the coal men to make all they can, both in war and in peace. He said as to the idea of a fair profit during war he said: "There is no limit. We get what we can. Everybody is doing that, including the farmer."

"Do you think that is right?" asked Assistant Attorney General Gose. "I am not qualified to say," was the reply. "I am doing all I can to get what I can."

He said the highest price he had obtained recently for coal was \$6 a ton for six-inch Cartersville lump.

"How do you justify charging \$6 for something that costs less than \$2 to produce?" "Because you can get it. You are a lawyer and you wouldn't do a piece of work for \$5 if you could get \$10 for it," was the reply to Mr. Gose's question.

**Gymkhana Was Greatly Enjoyed**

Delightful Entertainment Given on General McLean's Lawn at Rothsay Proves Highly Successful

The Gymkhana, held on the beautiful grounds of General McLean at Rothsay yesterday afternoon, was a decided success. The grounds were kindly loaned by General McLean and the fine weather greatly enhanced the charm of the afternoon. The candy and ice cream booths, under the care of Mrs. Louis W. Barker, assisted by Miss Clara Schofield and the Rothsay members of the Loyalist Chapter of the I. O. D. E., did a rushing business all afternoon. The ten tables were set out on the terrace, well shaded by the trees, and presented a gay spectacle. Many of the guests came out on the 1 o'clock train, while several parties motored out later in the afternoon.

The proceeds will be donated to the Loyalist Chapter of the I. O. D. E. to be used for patriotic purposes. The Rothsay girls who took part were: Barbara Fairweather, Hamlin Fairweather, Peggy Jones, Phyllis Barbour, Frances Cudlip, Sibel Fink, Elizabeth and Rachael Armstrong, Zoe Patterson, Eleanor and Ruth Foster, Catherine Mullin, Frances Robinson, Helen Blanchette, Frances Gilbert, Margaret Page. The older girls who also took part are all students of Havergal College, Toronto, as follows: Lu Robinson, Edith Schofield, Dorothy Tennant, D. Tennant, Amherst, Vivian Ross, Toronto; Helen Cudlip, Joan Foster, Althea Hasen, Phyllis Kenny, Catherine McAvity, Oda McLeod, Barbara Jack and Grace Kuhring. One of the features of the afternoon was a special dance by Miss Meta Carritte and Miss Lily Raymond. The instructor was Miss Grace Kuhring, who has just completed a special course of gymnastics and dancing at Toronto.

Those who took part wish to thank Mrs. Foster, who was so kind as to allow them to conduct many of their rehearsals at her residence, and also for loaning her piano for the afternoon. The young ladies also wish to thank the residents at Rothsay who entertained them at luncheon on the days that they were at Rothsay holding their rehearsals. Cakes, which were raffled during the afternoon, were won by Mrs. Forbes White and Mrs. J. B. Cudlip.

**HUGE GERMAN LOSSES**

The Hague, Aug. 23.—A neutral traveler recently in Ghent says that he witnessed the constant arrival of long trains of German wounded whose condition was appalling. The Germans, he says, pile their wounded anyhow, often into open trucks, and he declares the evidence of their colossal losses is overwhelming. The neutral denies the stories of de-

pressed British prisoners dragging themselves through the streets. He saw a detachment of British prisoners arriving from the Flanders front. They marched through the streets, heads up, at a swinging pace, shouting: "Are we downhearted? No!"

Mr. Diaz explained that as he had not come for a long stay he had only brought 150 trunks of various sizes, suit cases, bonnet boxes. Accompanying the party were a tutor for the son and a duenna for the daughter, a valet, a chauffeur, and two maids. Twenty-two rooms had been reserved for the party at a Fifth avenue hotel.
