SEMI-FINALS FOR PROVINCIAL TITLE ARE EXPECTED THIS WEEK

LLOYD STERLING TO PITCH FOR THE LOCALS TONIGHT

Water Department Team Weakened Through Injury to Manager Snodgrass; Atcheson and Ramsey to Handle Final Game

THE RACE AT A GLANCE

NEW BRUNSWICK

Sussex vs. Saint John, tied one each.
Deciding game tonight.
Moncton Cardinals vs. M. A. A. A., tied one each.
Deciding game tonight.
Bathurst vs. Chatham, Chatham won one.
Second game at Bathurst Friday.

NOVA SCOTIA

Springhill vs. Westville, Springhill won one.
Second game at Springhill today.

LLOYD STERLING, the pitching sensation of the year in amateur circles, will step on the mound tonight for the Water Department team in the third and final game of the series with Sussex, according to Manager Snodgrass this morning. The protest of the locals regarding Tuesday's game at Sussex has been disallowed by W. E. Sterling, vice president of the M. P. B., and the game stands forfeited to Sussex. Mr. Sterling said he had decided against the local team for disputing too strenuously the umpire's decisions. "I am determined to keep out umpire-baiting in this series and have instructed the umpires not to hesitate to exercise their authority," Mr. Sterling said this morning.

Great Record

Young Lloyd Sterling, on whom the city hangs most of its hopes to bring the provincial title here this year, is still in his teens but he has made a great name for himself this year. Out of 15 starts for his team this year, including the championship series with the Saint John the Baptist team, Sterling has lost but three engagements. His most notable feat was beating the Baptists twice in the big series. He will be opposed by LeClair tonight.

Provided the fine weather holds good here and Moncton tonight, the semi-finals for the New Brunswick championship will be reached by sundown. The Moncton Cardinals and the M. A. A. A. will settle the question in the railway city while Sussex and Saint John are reaching a decision here. If the Watermen win here tonight, the first game between Moncton and Saint John will be staged here on Saturday afternoon. It is possible that an exhibition game also will be played here in the evening between the two teams. The second game will be played in Moncton on Labor Day, according to present plans. In case Sussex should win tonight, Moncton will play at Sussex first.

Northern Section

The Northern section will be decided on Friday night if Chatham defeats Bathurst at Bathurst. The Bathurst boys were compelled to forfeit their game to Chatham last evening at Chatham when injury to their catcher left them without a substitute. If Bathurst should upset the dope and win Friday night, a third and final game will be necessary.

BROOK NO DISPUTES.

Bob Atcheson and Eddie Ramsey have been engaged to umpire tonight's game and Mr. Sterling said that he had instructed these officials to brook no disputes.

An unfortunate accident, which occurred last evening will prevent Manager Snodgrass from taking the field with the Water Department team when "play ball" sounds tonight. While in swimming he had the misfortune to cut his foot severely on a broken bottle. Several stitches were required to close the wound and in all probability the leader will be out of the game for the rest of the season. Snodgrass said last night that he would place Charlie Gorman at first base in tonight's battle, but who would form the infield he could not say. Either Sterling or Hannah will pitch for the locals.

Exceptionally keen interest is being taken in the series, not only by Saint John fans but by baseball fandom throughout the Maritime Provinces. New Brunswick, Nova Scotia and P. E. Island are fighting out their provincial battles and before another fortnight has passed it is probable that the Maritime championship team will be declared.

Visiting Lady Players Are Beaten 33 to 8 in Friendly Contest.

The ladies of the Westeld Golf and Country Club defeated the ladies of the Fredericton Golf Club at a match on the Westfield links yesterday by a score of 33 to 8.

The Fredericton players were the guests of the Westfield members at a delightful luncheon at the Maple Inn and were later entertained by the Westfield Club house committee at supper at the Club house. The visitors were delighted with the course and greatly appreciative of the hospitality extended. A slight shower in the afternoon did not interfere with the play.

PLAN RETURN GAME.

The match was the first arranged between the two teams this season and it is planned to hold a return match in Fredericton some time during the next two weeks, if it can be arranged.

Three Shoot-offs Necessary at Meet

TORONTO, Sept. 3.—The second days shoot of the Eastern Canada championships in the Canadian National Exhibition tournament, held at the traps of the Toronto Gun Club, drew a very large number of shooters, and a large gallery of spectators yesterday. This shoot is the largest ever held in Canada.

The feature of the day was the second half of the Eastern Canada singles championship. G. S. Abbott of St. Hubert's Gun Club, Ottawa, and Joe Jennings, Toronto Gun Club, were tied on the 200 targets, with scores of 189 each. The shoot-off of twenty targets resulted in another tie, each breaking 19. They shot twenty more in an endeavor to break the deadlock, but each broke twenty straight and were still tie. Finally in the third twenty targets, Abbott defeated Jennings, by one bird, their scores being 19 and 18 respectively, and Abbott was crowned the Eastern Canada singles champion, and receives a handsome gold medal. Tenth in the scoring was J. E. McCurdy, Nova Scotia, with 91 of a possible hundred.

Malcolm and Rubin Looked On As Winners At Halifax Meet

CITY NEEDS A WINTER SPORTS COMMITTE ON JOB DURING THE YEAR

IN the winter of 1923, Saint John held the biggest meet in the history of speed-skating.

Thousands braved the bitter cold for several days to watch the flashiest and best bunch of amateur performers ever gathered, together in many years, battle bitterly for the International titles.

This city reaped a harvest in advertising in the big United States and Canadian dailies as a result. It firmly established this city as the premier speed-skating city on the continent.

Since then, what has been done along this line?

We held an indoor meet in 1924 and nothing of big repute at all last year.

Are we slipping back?

When you get down to bedrock in analyzing the cause for this, you will probably find there has been a tendency to steer clear from the work attached to this because of 'knocking" and a disposition on the part of those who never lifted a finger to help to belittle and sneer at the efforts of the men who took the lead.

Can you blame them if they say "Never again?"

Anyone who thinks that staging a meet of this magnitude is like holding down a job in the Swiss navy would be speedily disillusioned if he were to get behind the scenes.

That it is a worth-while project few will deny.

And, we believe its strength lies in its continuity.

It must be a yearly effort.

It is is worth while and if it should be held annually, why not place it in the hands of a Permanent Winter Sports Committee?

Why not secure a competent man and pay him well for his time?

Lake Placid, Saranac Lake, Montreal, Quebec and other winter resorts have men on the job all the year round.

Look what they have done in this direction!

This is a project that should interest every business in the city.

If our Exhibition were dependent on volunteer help every year, how far along would we be!

ST. STEPHEN, Sept. 2—Although all three classes were won in straight heats, the racing this afternoon was just as good as one would wish to see, all finishes being very close and some only won by a nose. David Hal, the Saint John pacer, owned by S. PRESQUE ISLE, Me., Sept. 2—John Willard, the veteran local reinsman, drove two winners in the races at the Northern Maine fair today, cleaning up with his reliable campaigners, Saccharose and Earl North. He made a good try for the third race but his mare, Miss Simmassie, was outraced by the Woodstock gelding, Refl Line, somewhat overlooked by the talent.

There was a big crowd and fine weather. Interest now centres in the match tomorrow between John R. Braden and Single G., which is expected to draw a record crowd. Governor Brewster and staff visited the fair today.

PLAY EXHIBITION

Royals Default League Game to Institute But Win Friendly, 8-6.

Last night's scheduled post-series game between the Y. M. C. I. and the Royals was awarded to the Y. M. C. I. by default, as the Royals were unable to get their full team together.

Pressing a few of the spectators into service, however, the Royals agreed to play the Y. M. C. I., if the latter would count the game an exhibition one. This was agreed to and the game resulted in an 8-0 win for the Royals.

The standing of the post-series league, with last night's defaulted game included, follows:

	Won	Lost	P.C.
Saint John's	3	1	.750
Trojans	5	2	.714
Royals	2	3	.400
Y. M. C. I.	1	5	.166

Games Tonight

Tonight on the South End, the Trojans and Y. M. C. I. will clash in a post-series league fixture. A win for the Trojans would tie them with the Saint John's for first place in the league. The Y. M. C. I. have been greatly strengthened by the addition of Moran and "Bunker" Murphy. Murphy will pitch for the Y. M. C. I., and with Kerr opposing him a good battle is expected. The game is scheduled to get under way at 6.45 o'clock.

IMPERIALS WON

The Imperials defeated the Canucks on the North End grounds last evening by a 6 to 4 score in a five-inning game. Smith and Howard formed the battery for the winners while Phillips, Sherwood and Cougle worked for the Canucks. The Imperials have one more game to play and it is probable that it will be played tomorrow night on the North End grounds.

MEUSEL CRACKS OUT 27TH HOME RUN OF SEASON

Washington Senators Five and One-Half Games Ahead

NEW YORK, Sept. 3.—Two straight victories for Washington over Philadelphia seem to make it certain that Washington and Pittsburg will play in the world series. The Senators are snugly lodged at the pinnacle of the American League by a margin of five and one-half games, and the Mackmen have lost eight straight. The veteran Coveleskie started for the Senators, who won 8 to 5. The Athletics started to pound Covey in the seventh, and eighth innings, and forced him to retire in favor of Zachary in the last frame. The Mackmen will have a recess for the next two days, and on Saturday they are due at the Yankee Stadium.

While Babe Ruth continued to wear sackcloth, the Yanks turned out a 4 to 2 victory over the Red Sox. Meusel contributed his 27th homer of the year, with one on. It is likely that Ruth will be in the line-up on Saturday, but his $5,000 fine stands.

The Giants came to life after dropping the first game of a double header to the Phillies 6 to 3, and romped away with the concluding number 24 to 9. In the second game there were five Philadelphia pitchers and thirty safe blows by the Giants, including three home runs. The Phillies also hung up three homers. The Braves tightened their grasp on sixth place by coming out on the long end of a 4 to 2 score with the Robins.

Pittsburg is making the National League race a runaway affair. The Pirates chalked up their eighth victory in a row, by trimming the Reds, 8 to 2, and now lead the pack by eight and one half games.

ACTIVITY IS PREDICTED FOR BASEBALL MARKET THIS COMING WINTER

Plenty of activity on the ivory market is predicted during the off-season this winter when nearly every team in the major leagues will be going through a process of reorganization.

With the exception of the New York Giants, the Pittsburg Pirates and the Philadelphia Athletics, every team in the two big leagues will have to be reorganized this winter if they are to figure at all in the 1926 pennant races.

The Pirates and the Athletics are well fixed with good young players, but the Giants have several veterans that need replacement. McGraw needs a good utility infielder, a young catcher and some new pitchers although he has in Kent Greenfield and Fred Fitzsimmons two of the best looking pitching prospects in the league.

The Brooklyn Robins need pitchers and a third baseman but the club has very little trading material and may have to depend upon youngsters picked up from the minors.

The champion Washington Senators need young pitchers and a utility shortstop. The club has been very active all season buying up players in the minor leagues and Bucky Harris may have the good fortune to find the players to bolster up the team for another race.

The New York Yankees will have to be rebuilt almost entirely to get back as a contender in the race. The club already has spent more than $200,000 for young players and Col. Ruppert hasn't pulled the strings on the money bag.

Of all the players on the team only Ruth, Hoyt, Jones, Pennock, Dugan, Meusel, Gehrig, Combs and Bengough are sure of their jobs next season.

The Cincinnati Reds could use a first baseman and they are badly in need of hiting strength. Hitless wonders have won pennants in the past but in this modern gave even the best of pitching needs some stick support.

The Detroit Tigers also will be put through the renovating process. Ty Cobb is said to have confided to friends that Heinie Manush is the only player on the team who is sure of his job next year. The Tigers have an abundance of trading material and Cobb ought to be able to get almost what he wants on the market.

So many bear stories have been circulated about Babe Ruth this summer that new ones have to be discounted.

The latest excuse offered for the weak batting of the former king of the sluggers and hitters was that of his eyesight has become impaired.

It is natural for any batter to get into a slump. Pep Young one of the best hitters on the Giants last year, has been in a slump all season. He has been hitting the ball but couldn't find safe territory. The Babe, however, hasn't even been hitting the ball and the frequency with which he missed strikes by the proverbial mile caused some of the Yankee players to believe that his eyes have gone back on him.

George Sisler corrected his eye trouble by retiring from the game for a year, but the same treatment hardly would work in the case of the Babe, who would expand to the proportions of an elephant if he remained idle for a year.

Boxing Notes

NEW YORK, Sept. 3—Harry Greb is here conferring with promoters who seek to match him with Jimmy Slattery of Buffalo in a benefit boxing show on September 25. Nothing definite has yet been agreed upon.

TULSA, Okla., Sept. 3—Ed Strangler Lewis, claimant of the world's heavyweight championships, successfully defended his wrestling claim here last night by winning from Howard Cantowine, Iowa heavyweight, in straight falls.

CLEVELAND, O., Sept. 3—Tiger Flowers, Atlanta negro middleweight, will meet Ted Lewis, English champion, here Monday, instead of Marty Burke, New Orleans. Burke telegraphed that a hand injured in training would prevent his appearance.

NEW YORK, Sept. 3—Sid Terris, New York lightweight, and Jack Bernstein, Yonkers, have been matched for September 25. Terris was awarded a judges' decision over Bernstein last Monday night, but the verdict was unpopular with the fans.

RECORD CROWD IS EXPECTED TO ATTEND EVENTS

Holland Is to Compete With Montahone and MacDonald

WHILE the Saint John contingent to the Canadian track and field championships to be held at Halifax on Saturday will not be a large one, the quality is there in more than average doses, and it would not be surprising to see two Dominion titles come to Saint John as a result. These two are the shot-put and the mile, in which events the Loyalist city is ably represented by "Beef" Malcolm and the young Hebrew boy, Rubin. Both have shown consistently good form at meets this year and should be at top form for the big test on Saturday.

Not knowing who will be entered against Malcolm, no one can say that he will walk away with the event, but from reports it would appear that Don Cable would furnish the chief opposition. Cable's forte is the discus, and he takes the shot-put as a sort of side issue. The man who could give Malcolm some opposition is none other than Tom Fripps, the veteran Halifax athlete, who taught the big Saint John boy practically everything he knew about shot-putting. It is not known whether Fripps will enter or not.

Rubin first attracted notice by his great work at McGill University, and since coming home this summer has not been beaten in the mile event. If these two boys can cop their favorite events at Halifax it will be a feather in Saint John's athletic cap.

It was reported yesterday that Holland, the crack Hamilton hurdler, would compete at Halifax against Montabone and Phil MacDonald. There should be plenty of excitement in this event. Other Saint John boys who are making the trip include Colin Thomas, Ed Yeomans, Walker, Drew Mulcahy and others. Halifax newspapers say that fully 7,000 people will be present for the events.

SKEETER W. WINS MILWAUKEE STAKE

Goshen Mare Beats Favorite, Ribbon Cane, in Two Fast Heats.

MILWAUKEE, Sept. 2—Skeeter W., a fast little pacing mare of the Good Time Stables, Goshen, N. Y., piloted by Cox, outraced a speedy field and took the big end of the $10,000 stake in the Wisconsin Derby at State Fair Park today. The race was the 2.10 pace class, feature offering of the grand circuit meeting held for the first time in Milwaukee.

The Goshen mare paced both of the heats she won in 2.03 1-4, and bettered the time of Ribbon Cane, the favorite, which took the second heat in 2.04.

Ruth's Suspension May End Saturday

NEW YORK, Sept. 2—Babe Ruth will likely be reinstated to the good graces of baseball on Saturday, but the $5,000 fine stands. Miller Huggins, manager of the Yankees, who last Saturday indefinitely suspended the slugger and taxed him $5,000 for alleged misconduct, notified Ruth today that he would confer with him Friday, and at that time notify him when his suspension would be lifted.

Those close to the situation interpret this to mean that Huggins will settle his differences with Ruth at that conference and reinstate him in time for Saturday's game.
