BIG FUR SALE AT F. S. THOMAS, MAIN STREET. With the near approach of winter the sale at F. S. Thomas' comes as an un- doubted boon to the people of St. John and the province in general. Thomas' has always been noted for its fine and distinctive stock, and the prices they are quoting on their furs bring these formerly expensive necessities within the reach of most pockets. Furs have advanced sharply in price within the past few months, and this is undoubtedly a wonderful opportunity for the public at large to anticipate their requirements. Sale begins on Friday morning, 8:30 o'clock sharp. 10-18

WOMEN'S COUNCIL EXECUTIVE MEETS

The executive of the local council of
women met yesterday afternoon in the
board of trade rooms and considered
matters that will be dealt with at the
next general meeting. Mrs. W. E. Ray-
mond presided. She spoke of the success
of the national council meeting which
she attended at Calgary. It was an-
nounced that Miss Mary Chesley, of
Lunenburg would be present at some
future time to give an address. Mrs.
Nellie McClung will visit the city next

month and a committee was appointed
to see about the entertainment of Mrs.
McClung. Mrs. Raymond said that
legislation was required to help women
and to have different cases tried by
women judges and jurors. Volunteers
to help at the Protestant Orphanage
Fair were asked for and support for that
event solicited. Arrangement for Poppy
Day and plans for the holding of a
household day were discussed. Mrs. F. E.
Holman reported on the meeting of the
milk committee which had been held
previous to the executive meeting.
Twenty-eight babies were being supplied
and \$28 a week was being spent for
milk. Fifteen babies were already
adopted by individuals. Miss Alice
Fairweather reported on a visit to the
Halifax council where she had explained
the milk fund plan. The "National
Life," the new organ of the council, was
spoken of.
