MARRIED IN THE WEST
A Prince Rupert under date of April 28, contains the following:
"The wedding took place today at 1 o'clock at the family home at Royal Mills Pittman Spur, of Miss Margaret M. Allen, daughter of Mr. and Mrs. R. E. Allen, to Jack Edwards of this city. Rev. Father McGeary was the officiating clergyman. Miss Kathleen Allen was bridesmaid and E. C. Gibbons, Esq., groomsmen. Mr. Edwards is a member of the brokerage firm of McCaffrey, Gibbons & Doyle and is a returned man. Mrs. Edwards went to school here and was afterwards engaged in the Bank of Montreal and the City Hall. The groom is the youngest son of the late J. A. Edwards, for some years the postmaster of Fredericton, and of Mrs. Edwards, of Montreal, and a brother of W. P. Edwards of Fredericton."

OILING THE STREETS
Halifax Chronicle: City men are busy preparing a number of streets for oiling. The experience of the other cities of Canada and the United States has been that ordinary water bound Macadam traffic conditions and that some form of surface treatment is absolutely necessary. Dr. Datchett, the city manager of Outremont, told the Good Roads convention that his city is oiling about 150,000 square yards of streets this year.

PREPARE FOR REGATTA
Moncton Transcript: A regatta shell which is to be used in the Shelliac harbor, arrived in the city today from St. John for P. F. Pelroy. The shell is twenty-seven feet long, eleven inches in depth, and is made of Spanish cedar, and was constructed by Harry Belpo of St. John. An endeavor will be made to secure a local four-oared crew for the shell, and it is hoped to have a regatta in Shelliac this summer similar to that which was held in the fall of 1919 which proved so successful.

TWO MEN ASPHYXIATED.
Returned Soldier and Friend Found Dead in Bed.
Toronto, May 16.—Albert Hoskin, a returned soldier receiving treatment at the D. S. C. B. and G. Villeneuve were noticed by illuminating gas at their lodging house in Sullivan street. Their bodies were found when other roomers noticed the escape of gas. Apparently one of the unfortunate men, when turning off one tap in their room, had accidentally turned on another.
