MRS. ELIA LEFTWICK, another Kansas City woman whose remarkable restoration by Tanlac has astonished her neighbors, many of whom have begun taking the Master Medicine. "They all agree with me that it is the greatest medicine on earth," says Mrs. Leftwick.

"A number of my friends," after seeing the wonderful good Tanlac did me, began taking the medicine, and now they all agree with me that it is the greatest medicine on earth," said Mrs. Elia Leftwick, 722 Pile street, Kansas City, Kans. "Tanlac completely restored my health," she said, "and just seemed to give me a new lease on life. If I could talk personally with every woman suffering as I did, I would urge them to take this medicine."

"For the first time in three years I am able to eat and enjoy three hearty meals every day and not suffer in the least with indigestion afterwards. I am never troubled now with the awful smothering spells that used to frighten me so much, and the dreadful headaches that came upon me every day have been entirely broken up."

"I was extremely nervous and couldn't sleep well, but now my nerves are in splendid shape, and I sleep like a child every night. My strength has been so wonderfully increased that I can now do all the householding in my eight-room house and attend to the children besides. I feel just splendidly all the time now. Tanlac is certainly worth its weight in gold."

Tanlac is sold in St. John by the Ross Drug Company and F. W. Munro; by G. W. McKay, Beaver Harbor; Willard J. Colwell, Evans; C. V. Parsons, Highland; John F. Meagher, Debec; O. D. Hanson, Leveau; E. L. Conley, Leonardville; N. H. Johnson, Clarence Station, and by the leading druggists in every town.—(Advt.)

GROCERY REPORTS FROM THREE CITIES OF THE DOMINION

The following comment on the market situation as regards food stuffs appeared in Canadian Grocer last week: There are not many price changes manifested in the markets during the week. The tendency on most lines of commodities is for a gradual movement downward. Business and collections are reported satisfactory by wholesalers and retailers, although buyers continue to confine purchases today to requirements.

Montreal—Slightly easier prices are quoted this week on beef; beef cattle have been arriving in better supply. The change is not large, amounting to one or two cents a pound on certain cuts of meat. The egg market is very firm at the high prices. Butter shows a strong market with an advance of one cent per pound. The lard market is very strong and shortening is also strong in sympathy with the lard market. The market for cod fish has fallen off in demand owing to the cooler weather. Sugar is in a very unsettled condition. There may be a very sharp change in the price within a few days and on the other hand present prices may hold for some time. There is a reduction of ten cents a gallon on the price of molasses. There is a general reduction in the price of nuts. Fruits will this year be scarce and very expensive. Some Norwegian sardines are one dollar a case cheaper. The market shows more strength for the better grades. Coffee is expected to decline another cent a pound by the first of the month. Lump chimneys are twenty-five and thirty-five cents a dozen dealer.

Toronto—The markets generally continue to show indications for a gradual downward movement, although with the exception of cereals few price changes

OF INTEREST TO WOMEN

This is a Short Letter, But It Proves the Reliability of Lydia E. Pinkham's Vegetable Compound.

Bothwell, Ont.—"I was weak and run down, had no appetite and was nervous. The nurse who took care of me told me to try Lydia E. Pinkham's Vegetable Compound, and now I am getting stronger. I recommend your medicine to my friends, and you may use my testimonial."—Mrs. W. J. Brady, R. R. 2, Solihull, Ont.

The reason why Lydia E. Pinkham's Vegetable Compound is successful in overcoming women's ills is because it contains the tonic, strengthening properties of good old-fashioned roots and herbs, which act on the female organism. Women from all parts of the country are usually testifying to its strengthening, curative influence, and as it contains no narcotics or harmful drugs it is a safe medicine for women.

If you want special advice write Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read, and answered by women.
