DR. SHARP'S ENGLISH TONIC BITTERS. These well known and unrivaled BITTERS, prepared by a peculiar and elaborate chemical process, from rare plants and herbs, and entirely free from all mineral, acid, and other objectionable ingredients, have been found the most useful in dyspepsia or indigestion, diseases of the Liver, Kidneys, and Irritability of the Bowels.

In cases of debility, whether arising from illness, fatigue, or other causes, they prove eminently serviceable and afford a reliable remedy, being devoid of all irritations and other injurious stimulants, may be given with happy effects to young children, correcting in them the tendency to the generation of worms, and other bowel complaints.

For Female Bitters are especially suitable, giving tone and vigor to the system, and imparting new strength to the frame, which protracted sickness or other exhausting causes may have impaired.

They have been extensively and successfully used by the Medical Faculty, many of whom most distinguished members in New Brunswick, Nova Scotia, the United States elsewhere, have given ample testimony in their favor.

These Bitters produce a feeling of buoyancy, removing depression or melancholy, and hence are of great value in the treatment of Mental and Nervous affections. They produce a healthy flow of the secretions, and should be used by who suffer from:

DEPRESSION OF SPIRITS, NERVOUSNESS, LOSS OF APETITE, And all kindred complaints.

Everybody ought to know that Sharp's English Tonic Bitters cannot be too highly commended for the diseases they are recommended to cure.

The Bitters should not be delayed in procuring and using these Bitters, sold wholesale by T. B. Barker & Sons, St. John, and at retail by all druggists. The price is reduced so as to come within the means of all to 25 cents per bottle.

DROWNED IN A HOLE.

PATRICK MOONEY'S DEATH IN THE GASPAREUX.

No Inquest Held—A Case Which Seems to Require Further Investigation.

WELSON, N. B., May 20.—Patrick Mooney, postmaster and general dealer of Gaspereaux, a short distance from here, was drowned in the Gaspereaux stream yesterday, under peculiar circumstances.

It seems that two men, one of whom is named Walter Patterson and Mooney had been enjoying a drinking bout at Mooney's home which is located within a short distance from Gaspereaux station. On Sunday morning about ten o'clock ten neighbors saw Mooney and Patterson walk down the road in the direction of the stream. A dog was thrown over the stream in a rapid set of sight of the houses. Under the bridge and above the bridge there is a deep hole which is frequently used by the boys of the village for bathing. Both men, it is said, were under the influence of liquor when they passed down the road. After the two men passed out of sight Mooney's boy went to the hole and found the bodies of the two men. He was then taken to the house and the bodies were placed in a tub. The water was warm and both men were found to be dead. It is believed that the bodies were thrown into the hole by the boys of the village. The bodies were found in the hole on Monday morning. The bodies were found in the hole on Monday morning.
