

## W. F. M. S. REPORT.

The Women's Foreign Mission Society have contributed during the year by the regular free will offerings and fees of the members the sum of \$30. The Mite Boxes used by those members through the Congregation have not been gathered in yet, but should the amount realized by them come up to the average of last year, it will bring the total contributions about the same. The meetings have been held regularly during the year, and though we are not able to report an increase of membership we feel encouraged by the faithful attendance of the members. A bale of goods, valued at \$45, was collected and sent to the North West, and we take this opportunity of thanking all who so kindly assisted in any way with this work.

MRS. THOMPSON, President.

S. MCGILL, Secretary.
