BOARD OF CONTROL— Messrs. John Cameron and Wm. Lodge. ALDERMEN-Capital ward-Mr. George Patrick.

Capital ward-Mr. W. G. McCagherty. Nominations will be held on Monday, December 27, and elections on Monday, January 3.

Every wage-earner in the Capital City of Canada should not fail to vote. Moreover, he should support the above candidates. These men have been placed in the field by the trade unionists and members of the Independent Labor party of Ottawa. They are your candidates. As such they should receive the whole-hearted support of all workers.

For years the Labor movement of this country has been pressing for Labor representation on all public bodies, and a more favorable opportunity never presented itself to the workers of Ottawa than at the present time.

We know that some of the other candidates are friends of the workers, but the above list includes all the candidates endorsed by the trades union movement of this city.

Mr. John Cameron has been the only Labor representative on

the Board of Control during the past year, and his record-the record of Labor—has been favorably commented upon by all sections of the community." The daily press, which cannot be charged with over-friendliness to the working classes, is loud in charged with over-friendliness to the working classes, is loud in its praises of his excellent work during the past year. What has been accomplished by "Jack" Cameron can and will be Dec. 27—Bolleau's Hall, Queen street work.

Dec. 28—Moreland's Hall, Bank street.

Dec. 29—Huckell's Hall, Bank street.

Dec. 29—St. Author's Hall, Bank workers were concerned. By electing Messrs. Cameron and Lodge and having a favorable man in the Mayor's chair the workers of Ottawa are assured of progress at the City Hall during the coming year. This can and will be accomplished if the workers of the Capital City of Canada will vote for themselves.

Don't be a worker 364 days of the year, but be a worker 365 days and let the 365th day be election day. Let us ponder, you and me,
