PANNER STOCK DISPLAY The Best Ever Shown in Exhibition in

This Province.

One of the finest features of the present exhibition is the display of -live stock. Commenting on this, prominent local farmers are unanimous in the opin-ion that there is a better showing in every class than there was last year. This they attribute largely to the importation of pure-bred stock from the East. Ever since this was started farmers have evinced more interest in their stock, resulting in a continued improvement, Labor Council was captured by Turner. which only becomes noticeable at the annual fall fairs. In the first half there was no score, and neither eleven had any apparent advantage. The teams were, in fact, so evenly matched that most of the spectators thought an extra half hour would have to be played before a decision was reached. This, however, proved unnecessary. ed. This, however, proved unnecessary. In the second half, about the finish, the Victoria boys rushed the ball towards their opponents' goal, and Tye made a beautiful long shot, which completely de-feated the Garrison custodian. There was no further score.

The newly organized Victoria United Club, therefore, opens the season by cap-turing the exhibition tournament, and with it the medals presented by the B. C. Agricultural Association.
