NOMINATIONS IN RESTIGOUCHE

W. Currie, Liberal and J. E. Stewart, Conservative

Speeches by Hon. Mr. LaBrosse and Others—Liberal Meeting at Hampton Last Night

DALHOUSIE, N. B., Dec. 26.—William Currie, merchant, of Campbellton was nominated as the government candidate and James E. Stewart, farmer, of Dalhousie as the opposition candidate. Both candidates spoke briefly and well.

Hon. Mr. LaBrosse followed in a two hours' speech, explaining the road act and defending the government's general policy. The chief commissioner received a splendid hearing. He was loudly applauded as he pointed out the improvements that the government had made in Restigouche, and he took pains in saying that every county in the province had received just treatment. He defied any man in New Brunswick to show that the public money was squandered, and invited investigation in the smallest detail. He predicted that the government would sweep the province at the general election.

John Morley, M. P., spoke briefly for the opposition. He favored the change in the road law, doing away with statute labor, but said that the council should appoint the superintendents. Mr. Mott, M. P., and W. W. Hubbard were present, but were not asked to speak, and the proceedings closed. There was a big crowd present, and the best order prevailed. The government candidate is certain of success.

HAMPTON, N. B., Dec. 26.—At a meeting of the Liberal party of this parish, held at the court house this evening, J. M. Scoville was elected chairman, and R. H. Smith, secretary. The following were appointed delegates to the provincial convention to be held in St. John tomorrow and Friday: Wm. Gilliland, R. H. Smith, J. M. Scoville, H. P. Newell, E. C. Evans, John S. Coleman, Geo. E. Keitchum, Capt. A. T. Mabee and Clarence Spooner.

It was also decided to call another meeting of the party for the evening of Saturday, January 6th, at the Court House, for the purpose of organizing and electing officers.

Several speeches were made and among other suggestions were the necessity for a better train service for Hampton and the securing of a shire-town representative at the provincial elections, which the attorney general has intimated might be brought on next spring.

Hon. A. B. White today came out from St. Martin's, where he spent Christmas, but was unable to remain over to the meeting. Mr. C. F. P. was also absent, not having returned from a Christmas jaunt to Great Salmon River. G. G. Scoville, P. F., was also unable to attend by reason of the illness of his daughter.

MOREY ONLY TOOK THE
AMOUNT DUE HIM

The case against Geo. Morey, the Assinarian who was charged with not paying over money collected for an immigrant named Joseph Mahomet was heard before Magistrate Ritchie yesterday and dismissed. He was able to show that the gentleman with the distinguished name owed him \$4 for sixteen nights' lodging and \$2.25 for cash supplied.

The immigrant had received a money order for \$30 and Morey took what was coming to him from this amount. The immigrant thought he should receive \$23, but when the case was made plain and the tangle straightened out by the magistrate it was seen that Morey had committed no offense, and the plaintiff received his money with a reduction of \$6.25 for Morey.

PEOPLE OF SOUTH ABERDEEN REGRET RETIREMENT OF JAMES BRYCE, NEW AMBASSADOR TO THE UNITED STATES

Sir Mortimer Durand's Successor is a Man of High Literary Standing, and Represented Most Intellectual Constituency in the United Kingdom—Retiring Ambassador Sails December 29

JAMES BRYCE

Mr. Bryce, Chief Secretary for Ireland, has been chosen as British Ambassador to the United States to succeed Sir Henry Mortimer Durand. Formal announcement of the appointment will be made as soon as the British Cabinet is rearranged. Mr. Bryce is a lawyer, statesman, author and a widely known in this country as the writer of "The American Commonwealth."

ABERDEEN, Scotland, Dec. 26.—James Bryce, who is to succeed Sir Mortimer Durand as British Ambassador at Washington has given his constituents here the first definite information of his selection for the Washington post. In a letter which they have just received, in this communication Mr. Bryce said that the appointment will compel him to give up his seat for South Aberdeen. The retirement of Mr. Bryce causes genuine regret as his scholarly qualities made him peculiarly qualified to represent the constituency which has the reputation of being the most intellectual in the United Kingdom. Aberdeen enjoys the unusual distinction of not having an illiterate voter. No plans have yet been made for the choice of a successor of Mr. Bryce in Parliament but it will probably be made from the literary class.

WASHINGTON, Dec. 26.—Sir Henry Mortimer Durand, the retiring British Ambassador, and Lady Durand will sail for England Dec. 29. Esmé Howard, counsel of the Embassy will act as Charge d'Affaires until the arrival of James Bryce, the new Ambassador.

NANNARY AND RENNIE WERE DISCHARGED

Judge Wilson Decides for Defendants—
Music for Public School

FREDERICTON, N. B., Dec. 26.—Messrs. Nannary & Rennie, who were arrested a short time ago by members of their company, for wages due, this afternoon made a disclosure of their affairs before Judge Wilson. J. H. Barry, K.C., appeared for Nannary & Rennie, and H. P. McLeod for the plaintiffs. After hearing the evidence, the judge decided in favor of Nannary & Rennie, and ordered their discharge. Mr. Mooney of St. John, who stood bail for \$250, is released by the judge's decision.

At a meeting of the Fredericton Board of School Trustees this afternoon, with two absentees, Dr. Atherton and J. W. Spudis, it was decided by a vote of five to two to favor the adoption of teaching music in the public schools, and a committee was appointed to formulate a plan to be presented at the next meeting.

KHAKOVE, Russia, Dec. 26.—An unknown traveller dropped a bomb in the railway station here this evening upon alighting from an incoming train. Two passengers were killed and many were wounded by the explosion. The station is now surrounded by soldiers.

Advertising without system is like trying to manage an army without discipline.—Printers' Ink.

PARIS, Dec. 26.—The foreign office today issued a second and the most categorical denial that it has made any reply of any sort regarding the Vatican's protest to the powers on the subject of the expulsion of Manager Montanari.

NAPLES, Dec. 26.—The summit of Mount Vesuvius is covered with snow today, producing a picturesque effect. Snow has also filled cracks in the volcano resulting from the recent eruption and it is feared that when it melts and reaches the region of fire new eruptions will occur.

TENDERS TO BE ASKED FOR SOON

Construction of Eastern Section of the G. T. P.

Appeal in the Memorandum Case Dismissed With Costs—Aged Moncton Lady Ill

MONCTON, N. B., Dec. 26.—Advertisements will be issued this week, calling for tenders for the construction of portions of the eastern section of the Grand Trunk Pacific Railway between Moncton and Lévis. Besides asking tenders for sections between Lévis and New Brunswick, it is understood that, before the end of the week, tenders will also be solicited for the following sections of the National Transcontinental railway—

Moncton towards Chipman, a distance of fifty miles. The road will enter Moncton from north, and will run almost parallel with the I. C. R. from Berry's Mills to this city. Tenders will also be called for a section in New Brunswick sixty-two miles in length, from the Quebec frontier towards the town of Grand Falls. The route will be down Baker's Brook, and thence along the St. John river valley to a point about two and a half miles distant from Grand Falls.

Between the two sections named there will be in New Brunswick three additional sections, each fifty miles, tenders for constructing which will be called early in the spring, or as soon as the question of route has been finally determined by the authorities.

Word was received here this afternoon that in the Memorandum case of Wood v. LeBlanc, argued in the supreme court of Canada at Ottawa on the 19th inst., judgment was delivered, dismissing the appeal with costs. This confirms the settlers in the damages awarded them by Judge Barker.

One of Moncton's oldest residents in the person of Mrs. Donald, who is aged eighty years, lies seriously ill. Mrs. Donald was seized with an attack of heart failure shortly after arising this morning, and owing to her advanced years but slight hopes are entertained for her recovery.

John A. McDonald, a former resident of Irtown, died at Quincey, Mass., last Wednesday.

Dr. Campbell of Springfield, father-in-law of R. W. Simpson of this city, suffered a severe stroke of paralysis on Monday, and is reported to be in a very precarious condition. Although eighty-four years of age, Dr. Campbell had previously been enjoying almost perfect health.

At Snider Mountain, Kings Co., yesterday, Walter P. Soper, a city market butcher, was married to Miss Maud Weldon, of the most extensive real estate owners in the city, was recently married to Miss Maud Trite, daughter of Abner Trite of Moncton.

Tomorrow evening at Truro a meeting of delegates to organize the new Inter-provincial Hockey League is to be held. Representatives from Moncton, Truro, Amherst and New Glasgow will be present. Amherst, while sending delegates to the meeting, has not yet decided to put a team into the new organization, and Fredericton has not yet been heard from.

Dr. and Mrs. R. H. McCreath of Fredericton are spending the Christmas holidays with Mrs. McCreath's parents, Mr. and Mrs. F. Gallagher.

CHILI SUFFERS
FROM EARTHQUAKE

SANTIAGO, Chile, Dec. 26.—Half of the town of Arica, in the province of Tacna, has been destroyed by an earthquake, and other towns in the neighborhood have suffered more or less severely. The report of Iquique, 129 miles south of Arica, was not damaged. With the recollection of the August disaster fresh in their minds, the people in the earthquake zone are greatly alarmed.

MICHAEL ANSBOROUGH
SUCCEUMS TO INJURIES

Michael Edward Ansborough died in the hospital last night as the result of the injuries which he sustained last Saturday while working on the steamer Lake Erie. Mr. Ansborough fell into the hold of the vessel, a distance of about twenty-five feet. He was picked up unconscious and an examination showed that his back was broken. No hopes were entertained for his recovery. He has been getting weaker ever since, and death came about nine o'clock last night.

The deceased was in his sixty-second year and has been a resident of St. John all his life. He was a widower, his wife having died only five months ago. He is survived by one brother, John Ansborough of 35 Horsfield street.

BAPTISTS WILL HAVE CONFERENCE HERE

For Formation of Dominion Convention, Instead of the Four Bodies Now Existing.

This afternoon a meeting will be held of the committee representing the Maritime Baptists and the Dominion committee to discuss plans for the consolidating of the four Baptist conferences of Canada into one body, representing the entire Dominion.

At present the church government is in the hands of four separate conferences, which represent the Maritime Provinces, Ontario, Winnipeg and British Columbia districts. The Dominion committee which was appointed to inquire into the possibilities of, and make plans for, the proposed union, has already met with the representatives of the other three districts. This afternoon they will complete the list by meeting the Maritime committee.

The meeting will be held at two o'clock in the Foreign Mission office on Germain street. The matter will be thoroughly discussed and if the proposition meets with their favor, the committee will probably appoint delegates to meet with the Dominion committee and the representatives of the other three districts to make the final arrangements. It is expected that this meeting will be held in Montreal or Toronto next week.

It is proposed to establish a publishing house and amalgamate the various missionary boards in addition to other changes. The move is consequently one of great importance to the denomination.

At the meeting this afternoon the delegates present will include: Rev. D. Hutchinson, St. John; Rev. R. White of Charlottetown; Rev. H. C. Newcombe, Yarmouth; Judge Emmerson, Moncton; Rev. Z. L. Paik, Hillsboro; Rev. J. H. MacDonald, Fredericton; Rev. Dr. Cohoon, Wolfville; Rev. Dr. Manning, St. John; Rev. W. M. Hutchings, Amherst; Rev. Dr. Steele, Amherst, and Rev. A. J. Prosser.

LEFT FOR THE WEST
R. D. Isaacs Will Look Up Location for
Austrian Colony.

R. D. Isaacs, general manager of the Northwestern Land and Investment Co., left last evening for Winnipeg, Saskatoon, Prince Albert and the Pacific coast.

Mr. Isaacs while in the West will look up locations for a colony of Australian settlers who intend coming to Canada in the spring. The land required will probably exceed 10,000 acres. The local real estate man has options on several promising properties in two of the most promising towns in the Northwest, and if the deals are consummated local investors can expect to get something that will probably pay them better than anything yet offered in the real estate line in these provinces.

SEAMEN ENTERTAINED
Excellent Programme Carried Out at
Chipman House Last Night

The annual Christmas entertainment given by the Seamen's Mission Society to the sailors in port was held in Calvin Church last night. The affair was a great success. About three hundred and fifty seamen were present. An excellent programme was provided; refreshments were served, and at the close of the entertainment the hearts of the seamen were cheered by the presentation of comfort bags, which are highly prized by the men.

The president of the society, H. C. Prosser, occupied the chair. His Worship Mayor Sears was present and addressed the men. The following programme was carried out: Piano duet, Miss Ella Smith and Miss Lusher; solo, Miss Marion Campbell; reading, Miss De Cue; piano solo, Mrs. Horlitz; solo, Chas. Lewis of the steamer Empress of Ireland; recitation, Master Frank Smith. A very interesting feature of the programme was the presentation of a number of character sketches by Rev. E. Thompson Smith.

The evening was spent most enjoyably by the men, and there were many expressions of their appreciation of the efforts of the society on their behalf.

ALMS HOUSE INMATES MADE HAPPY YESTERDAY

Large Number Present at the Annual Visit of the Commissioners and Friends of the Institution.

The regular visit of the commissioners and friends of the Alms House, held annually on the day after Christmas, took place as usual yesterday, and although the weather was not pleasant there were fully a hundred visitors, including quite a number of ladies.

The school room was prettily decorated with evergreen and in its center stood an immense Christmas tree on which the children gazed with eager attention. The tree was well stocked with presents for each of the children, who in return carried out an informal programme which was thoroughly enjoyed and which was a great credit to Miss McDade, the teacher.

The building was first, however, visited by the commissioners, who found everything in first class condition and everything running smoothly under the able management of Mr. and Mrs. Woods. The visitors examined into the work done at the house, which is really of a three-fold nature, a children's home, home for incurables and an alms house. The amount of the hospital work done was found to be amazingly large.

The programme in the school room was of an unusually interesting nature, consisting of choruses, songs and recitations by the children, who all looked bright and happy, and speeches by a number of the visiting gentlemen. Mr. Knodell presided, and after a few brief remarks called upon Father O'Neill, Rev. S. Howard and Rev. Dr. Prosser, three chaplains of the institution. Mayor Sears made a neat speech and Dr. Christie in a few words congratulated the staff on their good work.

After the children's programme the presentation of gifts took place. Toys for youngsters of all ages were present in abundance, while the women were presented with shawls and a handsome suit of underclothes were distributed among the men. Not one in the institution was forgotten.

LIBERAL
Convention Called

To the Liberals of New Brunswick: It is my desire to meet the Liberals of New Brunswick in convention. Nearly three years have elapsed since the last general meeting; it is also the judgment of many friends that such a gathering should take place for the purpose of perfecting party organization in all the counties of the Province. To that end, I would invite all Liberals who can make it, to meet and to attend at Berryman's Hall, in the City of St. John, on Thursday evening, 27th December next, at 7:30 o'clock.

This invitation is extended to all Liberals in New Brunswick who are interested in the success of the party and the good government of the country; but I would especially ask the Liberal Associations and Liberal Clubs in the various counties throughout the Province to select delegates, who shall be authorized to represent them at the convention.

There are many matters of importance to be considered, and it therefore my earnest wish to have at the convention as many as possible of those who have a real interest in the achievement of Liberalism.

Thursday evening will be devoted to the selection of a Nominating Committee and the arranging of preliminaries. It is possible that an opportunity will be offered for short addresses from representatives of the different counties.

The convention will re-assemble on Friday at 10 o'clock in the forenoon for the transaction of the real business of the gathering. The day will be given up wholly to the work of organization, which, it is hoped will be completed in time to permit the delegates to return to their homes in the evening.

H. R. EMMERSON,
Ottawa, Nov. 21st, 1906.

GOING OUT OF BUSINESS

As I am retiring from business the first of the year I beg to thank my friends for their liberal patronage during the past, and to introduce my successor Mr. Richard Rowe, who is taking over the business January 1st. I have much pleasure in recommending Mr. Rowe as I know him to be a competent photographer. Will anyone entitled to a re-shipment, having made a cash deposit please call before January 1st? To those not able to do so, the deposit will be allowed by Mr. Rowe, who will finish any such work. I will take sittings up to the evening of the 31st inst., after which time Mr. Rowe will take possession of the operating room. I will complete and deliver whatever work comes in before that time. And having work uncompleted for will please call and receive before Jan. 1st.
