EDITORIAL and NEWS DEPT., 1127. ST. JOHN STAR.

ST. JOHN, N. B., JULY 6, 1909.

BACK TO THE LAND. Some time ago Bolton Hall, a well known author, organized what he call-

to the land and to show them how to earn a livelihood and rear their child-ren amid sunshine, wholesome work the committee, "to enlist your sup-port in favor of a clean stage." and decent morals." The association secured large tracts of land near New York city, subdivided them into small girl dusting everything in sight." preparing the land for residence and for intense cultivation. Emphasis is particularly placed upon "intense" cultivation, the idea being to make a hortivation, the idea being to make a horticultural and agricultural workshop of one or two acres and to make every foot of that acre produce the maximum

The experiment is one that will be well worth watching and if it proves successful other cities besides New Figure 2. The warm of the matine idols come out."

Solution for the problems of the struggle for existence on the part of men who are willing to work but cannot find work to do the plan has much in the vicinity of St. John which could be used for such an experiment if the used for such as the used for such the matine idoles come of the use as the used for such the matine idoles come of the started away, but shortly after he had defict as about \$20,000,000 and the used for such the matine idoles come rest that the was frightened, thinks in the used for such the matine idoles come of the used for such the matine idoles come of the used for the dod dead. Krueger

THE WITTY WARDEN.

which drives more men from the farm than the drudgery of farm labor.

If labor in the cities is being cheapened by an excess of laborers, if great tracts of unproductive land are unprofuctive only because the hand of man is missing, if cultivated land is wasted because of lack of knowledge concerning intense cultivation, and if all that is necessary to correct these evils is to ntroduce a jobless man to a manless job, what better business could the But when you're really better government engage in, what better

The man or government which solves oblems and succeeds in turning the tide back to the land will achieve a prominent place in history.

VA PEACE ANNIVERSARY.

This contention is based on the fact that Canada has consented to the stationing on the lakes of two or three training ships for naval cadets. Out of this it is being made to appear that the United States is maintaining a powerful fleet capable of causing untold damage to commerce and destroying the Canadian lake ports. It is unfortunate that such an effort to arouse fortunate that such an effort to arouse hostility should be made at this time. It can do no good, and may, if persisted in, lead to the development of thus, the nails on the two middle fingers, respectively, and these in turn are more speedy in their growth than those on the little fingers.

Thus, the nails on the two middle fingers, book, "The Road to Wellville."

Ever read the above letter? A new one appears from time to time. They are genuine, true, and full of human interest thus, the nails on the two middle fingers, book, "The Road to Wellville."

Ever read the above letter? A new one appears from time to time. They are genuine, true, and full of human interest.

And the poor man, as he took his medicine, merely remarked interest.

It can do no good, and may, if persisted in, lead to the development of thus, the nails on the two middle fingers, respectively, and there in turn are more speedy in their growth than those on the little fingers.

**GHOST OF DEAD PAINTER** MAKES ARTIST OF ANOTHER

Man Who Knew Nothing of Art is Now Master of Brush — Completes Work Left Undone at Death.

NEW YORK, July 5 .- The spirit of tist, who died several years ago, is still painting pictures on tangible can-

tion. Its purpose was "to turn the tide of New York's congested millions back to the land and to show them how to

GHOST STILL PAINTS. Now, with all his evidence gathered into what he believes to be the strangevery one of my plays opens with a girl dusting everything in sight."

Frederick L. Thompson in 1905 was "I didn't see anything funny in the story that fellow just told. What He had never painted a picture and He had never painted a picture and He had never painted a picture and had never taken an art lesson. In short he did not know the first thing about painting. Then, suddenly, he was seized with a wild craving to execute land-scapes—a craving so intense and stage."

Screaming and forcing along her children as best she could, Mrs. Brown that the deficit will be about to know the first thing about painting. Then, suddenly, he was seized with a wild craving to execute land-scapes—a craving so intense and strange that he was frightened, think-less than the deficit of last year, but it is much less than was predicted.

The had never painted a picture and had never taken an art lesson. In short he did not know the first thing about painting. Then, suddenly, he was seized with a wild craving to execute land-when the dog came near him he struck was predicted. The actual official figures will not be available until tomorrow, but it is known that the deficit will be about \$92,000,000. This is about 50 per cent. Specific Crawford, with Officer Brown, finally arrested him and brought him when the dog came near him he struck it is much less than was predicted.

The actual official figures will not be available until tomorrow, but it is known that the deficit will be about \$92,000,000. This is about 50 per cent. Specific Crawford, with Officer Brown, finally arrested him and brought him before Judge Mathewson, who upon hearing the evidence remanded the pated. The actual official figures will not be available until tomorrow, but it is known that the deficit will be about \$92,000,000. This is about 50 per cent. Specific Crawford, with Officer Brown, finally arrested him and brought him before Judge Mathewson, who upon hearing the was frightened, think-less than was predicted. "Look heah, boss," interrupted the darky impatiently, "I done tole \$\( \text{fo}' \) is surprise, he saw on the easel an unfinished sketch which was absolutely identical with one of the sketches which he had left in my hands more than a month before. Mrs. to mah home in Virginny."

COMPLAINT OF CONVALESCENT.

When you're sick in bed of something And hate the sight of food,

When you're sick in bed of something And hate the sight of food,

When you're sick in bed of something And hate the sight of food,

And hate the sight of food,

and a half years before.

"To his surprise, he saw on the easel an unfinished sketch which was absolutely identical with one of the sketches which he had left in my hands more than a month before. Mrs. Gifford testifies that the picture was rolled up and put away until after Mr. Gifford's death, when it was taken out and put on the easel. Mr. Thompson had no opportunity to see it, and his impulse to paint never arose until six months after Mr. Gifford's death.

He IS 10 \$50,000 Each. six months after Mr. Gifford's death.

ROYALTY FEARS DIARIES.

AN OLD TIMER Has Mad Experience

MOTHER, AT BAY, KILLS RABID DOG

AND SAVES BABIES

THE STAR, ST. JOHN NB. TUESDAY, JULY 6 1909

Twice Attacked, She Wields Axe-Neighbor Fells Animal But it Returns to Life.

WILMINGTON, Del., July 5.-Driven approval?
Salesman—Certainly, ma'am.
Little Girl (who is with her mother)
—Hadn't you better tell him to be sure and get it there on time, mamma? You know we give the party to told of a remarkable series of expect. of "mad dog!"

A moment later there was a commo ion in the hallway and Mrs. Brown was horrified to see a large dog, froth-ing at the mouth, bound into one of the front rooms. It snapped at articles of furniture and ran time and again is no longer in doubt, and that the ghost of Gifford has possessed the body of the goldsmith and endowed it with the identical artistic gift that was hallway, but the dog saw her and

started in pursuit. BLOW FAILS TO KILL.

Queen Alexandra has exacted a pro-mise from her maids that they will not the death of his son, John Gregor, Jr., mise from her maids that they will not keep diaries. This is like imposing a hardship on posterty, for many important conversations and little happenings of the courts of former days would have ben lost to history had it not been for the diaries of ladies—in-waiting with a keen sense of news values.

The death of his son, John Gregor, Jr., the little happening at Phoenix, Ariz. It was further stated that the latter had before his death made a will, disposing of his money and valuable Alaska gold mines to his relatives here, consisting of his father, five sisters and the painting which has so imposed upon that art critics of the 19th century is a modern work painted over the original, which is entirely covered by the newsisting of his father, five sisters and the has now shown that the latter had before his death made a will, disposing the painting which has so imposed upon that art critics of the 19th century is a modern work painted over the original, which is entirely covered by the new-issting of his father, five sisters and the has now shown that the latter had before his death made a will, disposing a further stated that the latter had before his death made a will, disposing a further stated that the latter had before his death made a will, disposing a further stated that the latter had before his death made a will, disposing a further stated that the latter had before his death made a will, disposing a further stated that the latter had before his death made a will, disposing a further stated that the latter had before his death made a will, disposing a further stated that the latter had before his death made a will, disposing a further stated that the latter had before his death made a will, disposing a further stated that the latter had before his death made a will, disposing a further stated that the latter had before his death made a will, disposing a further stated that the latter had before his death made a will, disposing a further stated that the latter had before his death made a will, disposing

His mines would easily have yielded much more, but he did not care to take out more than he needed, saying it was in a safer bank in the mines than he could not it. than he could put it in.

The Best Thing To Do

when you are sick is to see the Doctor first, get a pre-scription then bring it to us for careful compounding. Guessing at what ails you and then getting a patent medicine to cure you is a very unsafe way.

UNGLE SAM'S DEFIGIT LESS THAN EXPECTED

It Will Amount to About \$92,000,000 for Fiscal Year.

Hers of Runaway and Seven Others are lially the "Master William" who lived at Cologne in the latter half of the 14th century. The point of departure for all writers on this school was the famous Clarenaltar which on the destruction of the convent church of St. Clara at Cologne in 1804 was removed to the gram from Seattle, received today by John Gregor, of this city, announces the death of his son, John Gregor, Jr. of pneumonia, at Phoenix, Ariz. It was further stated that the latter hald before his death made a will, disposing of his money and valuable Alaska modern work painted over the original,

waiting with a keen sense of news values.

The You know you are not strong's and the Song of the Song

when the restorers were becoming active. It is some satisfaction to be able to add that the 14th century work now two countries with possibly the creation of a monument as a permanent reminder of such an enhinestly satisfactory record.

Two great autions, with thousands of miles of unguarded border, have aften of the spirit which thas made such possible to settle all their difference without recourse to arms, and certainly the spirit which thas made such record possible, is rarely found in this fighting world.

It is greatly to be regretted the certain Upper Canadian papers, actual and by a desire to make political expital, are now endeavoring to still up stiffs over this bondard arrangement, by instinuating that the understanding between the two countries is being violated by the United States. This contention is based on the fact that Canada has consented to the state of the countries being violated by the United States. This contention is based on the fact that Canada has consented to the state of the countries are being violated by the United States. This contention is based on the fact that Canada has consented to the state them of the countries are being violated by the United States. This contention is based on the fact that Canada has consented to the state them of the countries is being violated by the careal content of the countries is being violated by the United States. This contention is based on the fact that Canada has consented to the state than the countries of the countri to add that the 14th century work how being re-discovered, with its slim, se-vere, individual statuesque figures, is artistically far superior to the feebly drawn, uncertain, and expressionless figures painted by the "restorers" and hitherto regarded as characteristic of the Meister Wilhelm style. The whole of the altar-piece has not yet been dealt with, but, says the Athenaeum

what has already been achieved by what has already been at here to so the tribute of the conclusively that in the Clarenaltar we have a work executed not by different painters at various periods, as formerly supposed (some critics had recognized in it as many as five different hands), and produced at a date not later than 1870. duced at a date not later than 137 Under its new aspect the altar-piece becomes a document of the utmost historical value, for it establishes as an indisputable fact the pre-eminence of the School of Cologne among all the cian, 38 Dock St. Optics exclusively.
