t Oct. 5, '96. , N. B., Standard Time, at

for the child she was afterwards removed to the house of her uncle Hugh Green Mrs. Green's conduct was extraordinary. to say the very least, in leaving her own strange that she should have left her little nie e, even if she was only a nie e by m irriage, in such an awful plight, withou matriage, in suon an awar page, when making any effort to ascertain the extent of her injuries, or help her in any way, delibera ely leaving her then and afterwards to be cared for by a widowed uncle and two very young girls who were scarce-ly competent for the task. On the night of the fire Mrs. Green did not even wait nu-til it was all over, but took her eldest daughter and went to the house of the neigh or before mentioned and though the daughter went home early in the morning Mrs Green remained at Cormier's until

As Jacobs and the state of the short of the state of the liable quarter now state that she says what she really saw was a man carrying a light she afterwards saw a man come aroug : the corner of the Du cher house and run away.

These statements of her's are decidely con radictory especially as it is an indisutable fact that the nights were pitch lark at the time, and Mrs Gre n's some distance away from the Dutcher use; so that while it might be possible for anyone to see a light, or a percon range of possibly to distinguish the form of a man running away, even if he had this, Mrs. Green thinks she knows who the man was, though she is not positive. It would almost seem as if Mrs. Green

had some reason to suspect that ail was not right at the Dutcher house, and that the knowledge had the effect of keeping

These are but speculations of course, but it seem as if there were some discrepencies in Mr. Green's statement that required clearing up and as John Sullivan

has stated more than once that he can clear AN ALDERMAN'S VICTORY

of her own for keeping her knowledge to herself.

At the time of the inquest many people who re dher account of the night's events metablished at the house after the fire and spending the rest of the night at a neighbour's house. If Processes remembers aright she gave as her reason for doing so, that she was frighten d jbut if she had cause for alarm how sboat her children, left to face whatever danger there might be, alone?

Her daughters in giving their testimony, istated they took their little wounded cousin home at first, but as their mother was away, and they did not know how to care for the child she was afterwards removed from Meadow Brook and established at the Almshouse, two well dressed and rather good looking men called one day, and requested to be shown over the house. If Proceeds at such a request from young men, but she complied at oace, showing the visitors all over one side of the house. Coming to the part in which Maggie Dutcher and her nurses were installed, she paused and said—"Now this other side is exactly like, the otter". "Just exactly like, is not generally known.

The same in exert was removed from Meadow Brook and established at the Almshouse, two well dressed and rather good looking men called one day, and requested to be shown over the house. It is too true that there is often a great deal of unnecessary cruelty practiced by the police of the city as well brobably as by the police of the city as well brobably as by the police of the city as well brobably as by the police of the city as well brobably as by the police of the city as well brobably as by the police of the city as well brobably as by the police of the city as well brobably as by the police of the city as well brobably as by the police of the city as well brobably as by the police of the city as well brobably as by the police of the city as well brobably as by the police of the city as well be robably as by the police of the city as well brobably as by the police of the city as well of the probably as by the police of the no' they both exclaimed at once 'not at all, we only wanted to see the house."

As every other visitor who had been at the which beats within Chief O'Sullialms house since Maggie's arrival had been

Sullivan has evidently been spending ome of his spare time in writing poetry. The tollowing verses have been sent to Progress as a specimen of his efforts in

"R-ckless and wild," yes sure I've been!
As far too many are today,
Carousing, drinking, waste of time
Forgetting oft the time to pray.

But friends! and some I'm told I ha The race from which I sprang Dor False accusations often born, From death itself don't shrink.

Lying here tonight, on prison cot,
Alone at "witching hour" of night,
I put my doubts away to rest
And feel that all will turn out right.

HALIFAX, oct. 22-That was quite a de-

about a sensation. Don't concentrate your attention on Mr Ruhland, alderman, you ble' men, too, who own or are agents to make 'fish of one and flesh of another.'

WANT LADY COMMIS IONBES.

HALIFAX, Oct. 22.-Halifax in some things is behind other cities and towns Our people do not protess to think that they lead or are even up to their fellow citizens in other parts of the Dominion in every particular. No, in some things they are behind. One of these points of backntation on the Halitax board of ool commissioners. The members of They have started an agitation to secure the appointment by the government of a couple of lady members to the board. This is a laudable enterprise, doubtless. It is interesting to note who they are gua in the next number of Progress."

who are bestirring themselves in this matter and to look at some of the names suggested for membership. It is a strange fact that the women who are starting the SHE WAS VERY PREITY.

Johnnie Maple. It was quite easy to let nim secure a gurl who would share his ups and downs and he would take him to her at the cyclist so sensitive as to resent a laugh at demanded. The unfortunate part of it. was that two young ladies offer Shortly after dusk one evening Forest and a couple of friends started for the young lady's house. Forest knew nothing of the city and its ways and was at once taken to one of the shady residences on the lower part of Water street. There were several young wemen there, and Forest was told he could select any one of them for a life partner. He chose a blonde and for several hours the young men who accompanied him had more fun than ever they anticipated. Forest proposed and was ace pted, the best thing of it is that the girl is as sincere as he is. She has promised to go with hum to his Nova Scotia home and he has gone back to arrange it for his bride. Forest is expected back on the next trip of the Theims and then the wedding will take place. There are only a tew invitations o.t. yet but it is a certainty that many can be had before the day the knot is tied.
