AGRICULTURAL FAIR AT GLASSVILLE, WEDNESDAY, A SPLENDID SUCCESS

First Held There in 15 years—Large Attendance and Fine Display in all Departments.

Woodstock, Oct. 7.—The Aberdeen Agricultural Society held its exhibition at Glassville today and it was successful beyond expectation. It has been fifteen years since the last exhibition was held here. The weather was fine and the attendance was surprisingly large, accounted for probably by the fact that it was the only exhibition held in the county this year.

The exhibits were of good quality as a rule, but the entry list was not as large as was expected in some cases. There were 67 exhibitors in the different classes.

The woman's department made an excellent showing and the judges had difficulty in deciding the prize winners.

The larger animals, particularly carriage horses and milch cattle, were highly creditable. The lighter horses showed up well. Among the draft horses, Percherons, Guy Welch's span took first prize, one of the horses weighing 1850 pounds. There were some nice Clydes on exhibition.

In the cattle classes there were excellent exhibits of the Ayrshires and Holstein breeds. The latter known as the Robinson herd was particularly good. The few Jerseys and Jersey grades were admirable.

There were not many sheep on exhibition, but they were of a good quality. This would also apply to the dairy display. The roots and vegetables were numerous.

In sheep the Leicesters and Shropshires predominated, while in swine the Yorkshires and Berkshires were the most numerous. There were fine litters of spring pigs.

In poultry, Plymouth Rocks, White Wyandottes and Buff Orpingtons were in the majority.

There was a fine show of Fan Tailed pigeons, geese, ducks, silver lace bantams and Guinea fowl.

In wheat, George Reid took 1st prize for New Marquis; W. H. Arnand took first prize for White Russian.

The Argyle school, Miss L. Darkis teacher, and the West Glassville school Miss DeLong, teacher, had the best exhibits for school work.

The judges in the different departments were:

Horses—Wm. Armstrong of Lakeville, E. Long of Long Settlement, Alex Ritchie of Greenfield.

Cattle and sheep—Messrs. Ford, Everleigh, Margeson.

Grain, roots, fruit—B. T. Reed, Roy McCain, Fiske Bros.

Poultry—Amos Downey.

Fancy work—Mrs. Alex. Ritchie, Mrs. A. A. Margeson, Mrs. Havelock Wilson.

ANOTHER FINE BILL AT OPERA HOUSE NEXT WEEK

At the Opera House next week the Thompson-Woods Stock Co. will present "Our New Minister," a rural comedy drama in three acts.

This play was written by Denman Thompson and used by him for several seasons as a starring vehicle. The scenes are laid in New England, in a village called "Hardscrabble," named so, as the village store keeper puts it, because it is "hardscrabbling" to get a living there. The play despite its name is largely comedy and holds the mirror up to life, as it is lived in many of the New England villages. The quaint, philosophic philosopher of the Yankees, couched in the twang peculiar to them, causes a great deal of laughter in the course of the performance. The play was seemingly written for the purpose of making people laugh than with any other idea and it succeeds admirably in its mirth provoking mission.

Mr. Will D. Howard will be seen to advantage as "Our New Minister," Miss Lois Howell will have an excellent opportunity as Nance Ransom, while the rest of the cast will be in capable hands. Among those appearing next week will be Frank McDonald, Wm. H. Dimock, Robert Arnold, Lyman R. Abbee, E. B. Strought, Arthur McClusky, Florence Chapman, Marion Chester, Mabelle Storrs and Ida Parks.

A special Thanksgiving Day matinee will be given on Monday.

CLIFTON WILL HELP BELGIUM REFUGEES

Clifton, Kings Co., Oct. 7.—The regular monthly meeting of Clifton Branch of Women's Institutes was held at the residence of Mrs. A. G. Brien, Moss Glen, on the evening of Tuesday of this week. A large number of members and visitors were present and listened with great pleasure to the addresses of several school teachers, who had been invited to tell the members how the Women's Institutes might aid and assist country schools. Miss Saunders of Kingston Consolidated School, spoke on "Where Home and School Meet," particularly indicating how assistance might be rendered along the lines of gardening. Miss MacLean, of Moss Glen school, read a very able paper on "How Women, Working Collectively and Individually May Aid Public Schools." She showed most clearly the necessity for better sanitary conditions throughout the country schools of the province.

Miss Louise P. Wetmore addressed the meeting on the great need of doing everything possible for the Belgian relief fund. Following her patriotic appeal an arrangement was made to pack boxes of clothing and other necessities for shipment.

This very inspiring session closed with singing the National Anthem.

ATTACK ON TSING-TAU REPULSED, ACCORDING TO BERLIN'S STORY

German newspapers satisfied Kaio-Chau safe from Japanese and British forces.

Berlin, Oct. 8, (By wireless to Sayville)—German newspapers today publish articles setting forth that they are satisfied that the British and Japanese attacks upon Tsing-Tau, the fortified position in the German territory of Kiao-Chow, have been repulsed. They declare that the splendid defense of the Tsing-Tau garrison is an indication of the carrying out of the promise of the governor of the colony to defend the territory to the bitter end.

According to news given out officially today in the German capital, the splendid and loyal conduct of the Polish soldiers in the German army has made possible the dissolution of the German anti-Polish union.

A great part of the German army under Gen. Von Hindenburg was effected a junction with the Austrians on the Vistula River, at Ivangorod, in Russian Poland, where the Russians are concentrating on the right bank of the river. Only a small portion of Von Hindenburg's army remains near Suwalki, these troops succeeded in preventing the Russian advance in the direction of East Prussia, and this in spite of the numerical superiority of the enemy.

REV. DR. CARMAN HURT

Ottawa, Oct. 8.—Rev. Dr. Carman, general superintendent emeritus of the Methodist church, is at the home of his son, F. A. Carman, here suffering from injuries sustained in a fall from a street car. His hip is painfully strained, but it is not considered serious. Dr. Carman was attempting to board a car on his way to the station, en route home, when it started unexpectedly, throwing him to the ground.

GOVERNMENT WILL DECIDE ON RELIEF FOR STRICKEN BELGIANS

Form Contribution Will Take to be Decided Upon at Meeting in Session.

Fredericton, Oct. 8.—The provincial government at its monthly session which opened this evening will decide the form that New Brunswick's assistance to the stricken Belgian people will take. Many proposals have been made to Acting Premier Clarke and his assistants, and it will be for the executive, after carefully considering the official information they have as to the Belgians needs, to decide what will be done. It is altogether likely that the government will arrange for forwarding a quantity of food supplies to the strickern people, and will announce the plan for sending forward the contributions from the people of this province.

When this is done the committee of the Fredericton city council will arrange for sending forward Fredericton's contribution.

In addition to the civic gift there will be a large consignment of potatoes and other food supplies as well as clothing and other necessities go from here to Belgium.

The King's Daughters will have charge of the collection of these donations, and will make an effort to gather together as much serviceable, slightly worn clothing as possible. Articles of clothing which would not be counted of much use here would be highly prized by the Belgians in their present circumstances.

Whether New Brunswick's contributions will go forward separately or jointly with those from Nova Scotia is not known. It may be that each province will charter its own steamers, or possibly they will unite.

This evening's meeting of the government was largely of an informal nature, because Acting Premier Clarke was detained at St. Andrews on a criminal case which he is prosecuting and cannot get here until tomorrow night.

Lieut. Col. McAvity, of St. John, is here tonight consulting with government. Recorder Baxter is also here.

The Gold Dust Twins' Philosophy

IF you have ever fumed and fussed, because of dirt and grime and rust, and said unto yourself, "Oh, dear! This household work will kill, I fear"—then it is time that you should find some other method far more kind.

Of all the woes a housewife bears, one always fills her day with cares: The kitchen after-meal-time muss, is quite enough to make one fuss. What, with the pots and pails and pans, the knives and forks and plates and cans, no task of man, however grim, the half as mean is handed him.

The Easiest Way

Two little willing workers aim to enter in this household game: their job, the lessening of work, a task that neither of them shirk. With active little hands and brains they grab the irksome household reins, till soon each kettle, pot or dish, is just as bright as you could wish. And not until the chores are done, from sink to silver, sun to sun, could anything inspire the two, to drop the tasks they have to do.

Therefore, if you have never known, assistance such as we have shown, your troubles end, where joy begins. Now, Mrs. Drudge, the Gold Dust Twins! Henceforth, as dishes congregate, and dingy pots that cannot wait; when cutlery, in sad array, awaits you at the close of day—"Cheer Up!" Forget the labor planned: You have two aids at your command.
