PITY THIS POOR GIRL!

SHE NEEDS SYMPATHY.

Growing fast—yes, into weakness, but without strength. Tired of course she is—pale and thin. She doesn't eat enough and digests far too little. This condition is so common, but how seldom noticed even by fond parents. Give her Ferrozene—then watch her appetite improve—see her cheeks and lips grow ruddy—watch her spirits rise. This gain is simply the result of eating and digesting enough, and thereby nourishing blood, brain and nerves. To a woman Ferrozene restores strength she has lost—to a girl it brings strength perhaps she never knew. You'll try Ferrozene, 50c. at all dealers.

POPULAR YOUNG-ADAMS

CO. HERE NEXT WEEK

Opens at Opera House

Monday night in "The

Lion and The Mouse."

Theatre goes on the road and enjoys an opportunity next week to play by one of the finest and best balanced theatrical organizations that has visited the Maritime Provinces for some time, in the well known Young-Adams Company, which opens an engagement at the Opera House on Monday night in a production of Charles Klein's great drama of business and social life, "The Lion and The Mouse."

The play is well known as a real drama, with the necessary "punch and thrill," and has been a success ever since first produced in New York where it had a run of almost two years.

The Young-Adams Company played a successful engagement of twelve weeks here last spring, made many friends, and comes this season better and stronger than ever.

Following the production of "The Lion and The Mouse," the company presents such well-known successes as "Get-Rich-Quick Wallingford," "All of a Sudden Peggy," "The Red Cross Nurse," "The Thief in the House," "The Elsie Ferguson play," "Such a Little Queen," "The Black Flag," "The Butterfly on the Wheel," and as plays of equal merit.

As usual, the company presents some good vaudeville novelties between acts, making continuous performances.

Seats are now on sale at the box office for all performances of next week. Popular prices. Matinee Wednesday and Saturday only.

COL. GUTHRIE DOING GOOD WORK FOR CAUSE ON THE NORTH SHORE

Hockey Match Spoiled Attendance at Chatham.

Enthusiastic meeting at Doaktown and several recruits have joined colors.

Lieut. Col. Guthrie reports having met with fairly good success at Doaktown and Chatham the early part of the week. The meeting at Doaktown was held Monday evening and was a large and enthusiastic one, the speakers were Col. Guthrie, Col. Merseure of the 13th Regt., and the Rev. Mr. Wilson. Earle Dunphy signed on that night and there have been five or six others since.

Tuesday night the meeting was at Chatham and owing to the fact that a hockey match was in progress the young men were conspicuous by their absence. It is understood that the hockey match was arranged after the notice of the recruiting meeting had been given out. The mayor, C. P. Hickey, presided and the speakers were Col. Guthrie, Col. Merseure of the 13th Regt., Col. Dalgie of the 16th Regt., Rev. J. J. Pinkerton, Rev. Father Finnegan. Matthew Dickson signed the roll that night and six who were at the meeting signed the next morning.

After the meeting a strong ladies' committee was formed and it is expected there will be something doing when they get down to work. Miss Lillian Snowball was elected president, Mrs. Dr. Quigley, whose husband is at Chatham, secretary, and Miss Merseure, daughter of J. Y. Merseure, who has two brothers at the front, treasurer. The young men who do not feel like doing their bit had better keep away from this committee.

There will be a meeting tonight at McAdam at which Col. Guthrie, Sergt. Major H. P. Brewer, Capt. George P. Levesque, Joynes Cormier, and Rev. Mr. Smith will be present. The Rev. Mr. Smith has just returned from France, will be the speakers. Sunday night there will be a big meeting in Fredericton, the speakers for which have not yet been announced.

TONIGHT'S MEETING

The program for tonight's meeting at the recruiting rooms is as follows:

A. O. Skinner, chairman; D. S. Robillard, pianist; Thomas Guy, song; G. D. Davidson, harp; William Evans, accordion.

The speakers, Rev. David Hutchinson, Magistrate Ritchie and William Hawker.

YOUR SICK CHILD
IS CONSTIPATED!
LOOK AT TONGUE

If cross, feverish or bilious give "California Syrup of Figs."

No matter what ails your child, a gentle, laxative, should always be the first treatment given.

If your little one is out of sorts, half-sick, isn't resting, eating and acting naturally—look, Mother! see its tongue is coated. This is a sure sign that it's little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs" and in a few hours all the constipated, undigested food and sour bile gently moves out of its little bowels without gripping, and you have a well, playful child again.

Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they thereby love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs;" then see that it is made by the "California Fig Syrup Company."

James G. Foley, St. Andrews St.

The meeting last night at recruiting headquarters, Germain street, was not very well attended but the addresses were excellent. Rev. Mr. Fletcher spoke effectively and the address given by E. A. Smith, who is a new speaker at the recruiting meetings, showed careful preparation.

Capt. Mulcahey was chairman. Dr. Barton presided at the piano and H. A. Allison and P. C. Johnson sang.

Mr. Smith said this war was being fought against the most unscrupulous enemy of all time. He believed there would only be one end to it—the Allies would win just as sure as the sun would shine. He then reviewed the causes leading up to the war and proved that the fault lay with Germany. He paid a tribute to the bravery of the Belgians who had done so much to hold back the German advance on Paris.

The German Emperor claimed that a soldier could not be made under five years but the Canadians, after eight months training, beat the best troops the Germans had and saved the day at St. Julien and not only saved the day but they were winning it.

COMMITTEE TALKS OF A PERSONAL CANVASS FOR MEN IN ST. JOHN

Citizens' Recruiting Committee Considering New Plans.

Will make special effort to boom nightly meetings at local headquarters.

E. A. Goodwin and R. J. Wilkins were added to the membership of the Citizens' Recruiting Committee at yesterday afternoon's meeting, the first held in the new quarters on Germain street. T. H. Estabrooks was in the chair. Sub-committees to have charge of the various departments of work were appointed. Their names were not made public.

The advisability of making a personal canvass throughout the city in the interest of recruiting was considered, but no definite action was taken. It will be the endeavor of the entire committee to make the nightly meetings at the recruiting rooms a success.

A number of new plans will probably be submitted for consideration at future meetings of the committee, which will be at three o'clock every day, excepting Saturdays and Sundays, at the Germain street recruiting quarters.

WHAT ST. JOHN HAS DONE FOR PATRIOTIC FUND

St. John and adjoining counties, from Jan. 1, 1915, up to the first of this month, contributed \$149,356.27 to the Canadian Patriotic Fund. Fredericton and vicinity gave \$21,769.35 and Chatham and vicinity \$15,351.95. The contributions handed through this city and vicinity represented a population of 100,000 which meant a gift of \$1.49 per capita. The Fredericton district, which has a population of 15,000, gave \$1.45 per capita and Chatham with 12,700 persons in its district \$1.20.

The officials in charge of the fund point out that St. John is not a city where the population is not used to be entitled to as much credit for their gifts as those centres where the contributions are larger and the citizens wealthier. C. B. Allen is secretary-treasurer of the fund in St. John.

NORTH SIDE KING SQUARE MAY BECOME "DRY ZONE"

License Commissioners receive protests against liquor sale there.

A protest has been made to John B. Jones, liquor license inspector of the city, and the board of license commissioners against the granting of liquor licenses to any person on the North Side of King Square. A petition which has been drawn up by a King Square business house will be considered at an early meeting of the board, which issues the licenses for the year not later than January 25, the licenses becoming effective May 1.

If the petition is granted it will mean that one wholesale license, two retail licenses and two hotel licenses will not be renewed. In other words the concerns holding these licenses would have to stop the sale of liquor after April 30.

In the petition it is claimed that the quietness of the north side of King Square is disturbed by the sale of liquor, that the street leading along the north side of Charlotte street to Sydney street, especially the western half, is the resort for intoxicated persons and for loafers; that existing conditions are distasteful to many people who visit the stores, and that in short a certain element makes itself a general nuisance.

The petition also asks that the board refuse to grant licenses for the sale of liquor in any building on the North Side of King Square, not now occupied by spirit merchants.

Would Wake Up With Smothering Spells.

There is nothing that brings with it such a fear of impending death as to wake up in the night with that awful sense of smothering. The terrible smothering, choking up and smothering feeling is caused by the heart and nerves being in a deranged condition, and calls for prompt relief.

Milburn's Heart and Nerve Pills are the only remedy that can give prompt relief and effect a complete cure in all cases of such severity.

They strengthen and invigorate the heart, tone up the nervous system, and the trouble which is the cause of so much fear and anxiety becomes a thing of the past.

Mrs. Wm. McEldown, Temperance Vale, N.B., writes: "I am not much of a believer in medicines, but I must say Milburn's Heart and Nerve Pills are all right. Some years ago I was troubled with smothering spells. In the night I would sound asleep, but would wake up with my breath all gone, and think I would never get it back again. I was telling a friend of my trouble, and he advised me to use Milburn's Heart and Nerve Pills. He also gave me a box which I tried, and I had only taken a few of them when I could sleep all night without any trouble. I did not finish the
