

FRENCH NOT FAVORABLE TO THE RHINE REPUBLIC

Cannot Profit by it as Promoters of Movement Have Placed Republic Under German Republic.

Paris, June 10.—(By The Associated Press.)—The attitude of the French government toward the movement for a Rhine republic is a passive one, according to a statement made today by a high French official.

"The attitude of the French government toward this manifestation," the authority said, "is the same as the attitude of the other Allied governments, that is one of passiveness. Besides, the French government cannot profit by this manifestation since the promoters of the movement have placed the Rhine republic under the German republic."

"The French forces have been instructed simply to maintain order and prevent outbreaks of violence on either side. Order has been maintained and thanks to the presence of the French as well as the other Allied armies."

HORRIBLE FACTS ON ARMENIAN MASSACRES

Member of American Relief Commission in Near East Returns Home With Harrowing First-hand Details.

New York, June 10.—Dr. George H. Washburn, of Boston, a member of the American Relief Commission, in the Near East, returned on the steamship Adriatic today with first hand details of Armenian massacres.

He said: "Three-fourths of the male population of Asia Minor has been killed since 1915. Women and children are starving, and the Turks are holding 800,000 Armenians in the mountains away from their lands which have been expropriated. Constant guerrilla warfare between Turks and Greeks exists along the Black Sea."

LABOR UNIONS TRYING TO SAVE FRANK McCULLOUGH

Petitions for Commutation of Death Sentence Have Been Sent to the Dept. of Justice

Toronto, June 10.—With a view of obtaining the commutation of the death sentence of Frank McCullough, the murderer, who is to be hanged here on Friday morning, a number of local trades unions today sent telegrams to the Ministry of Justice, Ottawa. It is said that over four thousand members of labor unions have signed petitions for the commutation of the sentence.

A SLUGGISH LIVER CAUSED SEVERE HEADACHES

The duty of the liver is to prepare and secrete bile and serve as a filter to the blood, cleansing it of all impurities and poisons.

Healthy bile in sufficient quantity is Nature's provision to secure regular action of the bowels and when the liver is sluggish it is not working properly, and does not manufacture enough bile to carry off the waste products from the system, hence the bowels become clogged up, the bile gets into the blood, constipation sets in, followed by sick and bilious headaches, coated tongue, bad breath, heartburn, water brash, bad taste in the mouth in the morning, jaundice, floating specks before the eyes, etc.

Miss Dian Clark, Myer's Creek, Ont., writes: "I take pleasure in writing you concerning the good I have received by using Milburn's Laxa-Liver Pills for a sluggish liver. When my liver got bad I would have severe headaches, but I got better after I had used a couple of vials of your pills."

Milburn's Laxa-Liver Pills gently unlock the secretion, clear away all the bile to the bowels, and make the bile pass through the bowels instead of allowing it to get into the blood.

BELA KUN AGREES TO QUIT FIGHTING THE CZECHO-SLOVAKS

Bulletin—London, June 10.—Bela Kun, the Hungarian communist foreign minister, in reply to a message from Premier Clemenceau, according to a wireless dispatch from Budapest, agrees to stop hostilities with the Czecho-Slovaks although he claims the Czecho-Slovaks are to blame for the fighting because they disregard the frontier fixed by the Allies.

SENATE ASSERTS ITS POSITION AS COORDINATE BRANCH OF TREATY MAKING POWER OF U. S.

Takes Direct Hand in Peace Conference Independent of President Wilson, Senator Lodge Asserting That "As Europe Had Meddled With Monroe Doctrine U. S. Was Justified in Interfering in Its Affairs."

Washington, D. C., June 8.—With vigor and precision the Senate today asserted its position as a co-ordinate branch of the treaty making power of the United States government, by definitely taking a hand in the peace settlement in Europe independently of President Wilson.

The action came at the end of a heated debate, and much to the surprise of the republicans, the administration forces suffered a complete collapse, not even putting up a show of opposition in final voting.

Resolved, further that the Senate expresses its sympathy with the aspirations of the Irish people for a government of their own choice.

The second half of the resolution was offered as an amendment by Senator Walsh, Democrat, of Massachusetts, and unanimously accepted.

The appeal from Flume came in the form of a cablegram to Senator Lodge, Republican leader, from Andrea Ossola, the plenipotentiary representing the people of Fiume at the peace conference. The message was approved by the National Council of Fiume in an emergency session, it was stated.

The message invokes the Senate's aid "to prevent the perpetration of one of the worst outrages in history."

"Fiume wishes to know if the Senate which represents the American people, approves of the policy which outrages the feelings of a city and is offensive to Italian dignity," says the message. "Fiume wishes to know if the American Senate intends to share the responsibility which Mr. Wilson has assumed before history."

Senator Lodge's notable speech on the Monroe Doctrine was delivered in support of the Borah resolution on the Irish question. He assailed the so-called reservation of the Monroe Doctrine in the League of Nations Covenant.

Were it not for the effort of the powers in the peace conference to interfere with the Monroe Doctrine, Senator Lodge said, objection might be made against an attempt on the part of the Senate to intervene in the Irish question.

"But that objection can no longer exist," Senator Lodge said. "The peace conference has passed far beyond its primary business of making peace. It has entered into the territory of national relations the world over. More than that, it has literally entered upon the settlement of a question which is wholly ours and that is the Monroe Doctrine."

"In the first draft of the treaty presented to us, the Monroe Doctrine was left somewhere among the voices in the air and the visions that are seen, and we were told that it was all right because it had been extended to the whole world, which took away its entire meaning and character. Now, however, there comes back a second draft, with a direct statement in regard to the Monroe Doctrine, putting it in a far worse position. In my judgment, than it was under the first draft, and that was bad enough."

DAYLIGHT SAVING NOT POPULAR WITH THE UNIONS

American Federation of Labor Rejects Resolution Against Repeal of the U. S. Daylight Law.

Atlantic City, N. J., June 10.—A resolution, protesting against repeal by congress of the Daylight Saving Law, was defeated at today's session of the annual conference of the American Federation of Labor. It was voted down after a spirited fight had been launched against it by delegates, especially from Ohio and the southwest, who said it worked a hardship not only upon labor, but interfered with work on farms.

Advocates of the resolution asserted the law had operated to the benefit of the working man generally. The resolution was taken up, out of order, by unanimous consent at the request of its sponsor, Elworthy Healey, of the stationary firm. Many delegates opposing the measure said it had been used by employers to cut down expenses at a means of requiring their men to work overtime.

The vote on the resolution was 180 against 154 for its adoption.

FLYING CIRCUS AT THE TORONTO EXHIBITION

Among the Notable Fliers Will be the Prince of Wales, Bishop, Barker and McKeever.

THE PRESBYTERIAN BUDGET GIVEN TO GENERAL ASSEMBLY

The Financial Board Recommends That the Estimates for the Whole Church for Year be Fixed at \$1,400,000.

Hamilton, June 10.—John A. Patterson, K. C., Toronto, presented the report of the board of finance at this year's session of the Presbyterian General Assembly. The ministers, he said, were not getting after the congregations hard enough. There was one thing, sometimes forgotten by the Good Shepherd, and that was shearing the sheep. The savings of congregations for 1918 amounted to \$900,000, an increase of \$41,274. Budgetary revenue, including congregational gifts, donations and other receipts, was \$1,096,846, as compared with \$984,786 in the previous year. However, the revenue fell short of estimated requirements by \$193,644.

The total amount received from all sources for the maintenance of missionary, education and benevolent work was \$1,380,733, compared with \$1,369,449 in 1917.

The board recommended that the estimates for the whole church for 1920 be fixed at \$1,400,000, the \$250,000 being for the western section and \$1,150,000 for the eastern section. A yearly honorarium of \$500 a year to the moderator was recommended, as was also salary increases for many officers of the church.

The board of finance and junior clerk of the assembly, secretaries of the board of foreign missions, Sabbath schools and young people's societies, home missions and social service and board of finance are scheduled for \$2,500 each; secretary of evangelist, social secretary, Sabbath schools and assistant secretary of foreign missions, \$3,000 each; secretary of church prayers, \$2,500, and the district superintendent of home missions, \$2,800. Specific Sundays were set aside by the assembly on which ministers may preside at their own churches in different phases of the work of the church.

The bishop of Niagara, Very Rev. Dean Owen and Ven. Archdeacon Forster, were received by the assembly as a delegation from the Church of England.

"Out of the Synod meetings and greets the hope that the spirit of unity, brotherhood and cooperation may be fostered," was one of His Lordship's remarks.

THE SYSTEM IS POISONED

By Failure of the Liver and Kidneys to Purify the Blood Relief Obtained by Use of Dr. Chase's Kidney-Liver Pills.

Too much eating of heavy, highly-seasoned food, too little outdoor exercise are the most frequent causes. The liver is upset, becomes torpid and inactive, the bowels are constipated and the kidneys are overworked in an effort to get rid of the accumulating poisons and breakdown. Headache, backache, aching limbs sound a warning note, and these are but the heralds of the natural development is rheumatism, lumbago, and painful and fatal forms of kidney disease.

Dr. Chase worked out in his private practice a prescription which has come to be known as Dr. Chase's Kidney-Liver Pills, because of their combined action on these filtering organs. No treatment has ever proven so successful in awakening the action of the kidneys, liver and bowels, and thereby cleansing the system of all impurities. For this reason Dr. Chase's Kidney-Liver Pills have a world-wide reputation as the most thorough cure for rheumatism, lumbago, chronic indigestion and constipation.

Mrs. Alex. Gordon, Walkerton, Ont., writes: "A few years ago I suffered from kidney and liver trouble with pains in my back. I had heard of Dr. Chase's Kidney-Liver Pills being good for this, so I commenced taking them. I had only taken a couple of boxes when the trouble was all removed."

Mrs. M. Nickels, 132 Milton street, Sarnia, writes: "I have found Dr. Chase's Kidney-Liver Pills an excellent remedy. I suffered considerably with kidney trouble and backache, but after I had taken five boxes of the Kidney-Liver Pills they gave me relief. Since then, which was about five years ago, I keep them on hand, and use them whenever I feel the need of them."

Dr. Chase's Kidney-Liver Pills, one pill a dose, 25 cents a box, all dealers, or Edmondson, Bates & Co., Limited, Toronto. Substitute only if only disappointed. Insist on getting what you ask for.

HANDLEY-PAGE BIPLANE IN TRIAL FLIGHT

Had a Most Successful Tryout Yesterday, Developing Great Speed and Working Perfectly.

Harbor Grace, Nfld., June 10.—The Handley Page biplane, which is entered for the trans-Atlantic non-stop race, made a highly successful trial flight of one hour and ten minutes today. The crew of four, under the command of Vice-Admiral Mark Kerr, the great alrship swept from the ground and swung in a circle over the town, then then started eastward at great speed, passed over St. John's and turning south flew to her starting point where a flawless landing was made.

PROMINENT LADY OF RIVER HEBERT BECOMES SUICIDE

While Visiting Her Mother in Moncton, Mrs. Samuel J. Mann, Wife of Bank Manager, Takes Own Life in Shocking Manner.

Special to The Standard. Moncton, June 10.—Suffering from a nervous breakdown and while temporarily insane, Mrs. Samuel J. Mann, wife of the manager of the Bank of Nova Scotia at River Hebert, N. S., took her own life in a tragic and shocking manner. Mrs. Mann, who had been in poor health, had been spending some weeks in Moncton with her mother, Mrs. Nelson L. Rand. She appeared to be about as usual when she retired last night, but did not appear this morning at her usual time. Her mother, thinking she was sleeping a little later than usual, decided not to disturb her. Around ten o'clock, however, after other members of the family had gone out, Mrs. Rand decided to call her daughter. Upon entering her room she was shocked to find her daughter cold in death with a gas mask over her face, and the clothes pulled tightly over her head. Later investigations showed that Mrs. Mann administered a fatal dose of ether by means of saturating handkerchiefs and putting on the gas mask belonging to her brother, Lieut. Charles Rand, a returned officer. When the shocking discovery was made by the unfortunate woman's mother, medical aid was at once summoned, but it was quite apparent that life had been extinct for some time.

Coroner Dr. Coleman was notified and decided to hold an inquest. After summoning the jury, the inquiry was adjourned until tomorrow morning. Mrs. Mann, who was the daughter of the late Nelson L. Rand, a former well known official of the I. C. R., was about 31 years of age. She was married some five or six years ago to Samuel J. Mann, formerly of the Bank of Nova Scotia, Moncton. During her married life Mrs. Mann had resided at O'Leary, N. B., and River Hebert, N. S., where her husband was manager of the Bank of Nova Scotia branches. She is survived by her husband, who at the time of his wife's tragic death was chief clerk of the I. C. R., and two sisters, Mrs. William T. Dorchester, Ruth at home, and two brothers, Coroner Dr. Coleman was notified and decided to hold an inquest. After summoning the jury, the inquiry was adjourned until tomorrow morning.
