POETRY AND SONG! DR. J. G. | HOLLAND, Author of "Kathrina," "Bi ter Sweet," etc. r volume of over 700 PAGES, printed in the best style of the art, on the finest tinted paper, and illustrated with 125 thoroughly dainty and delicate engravings, FROM ORIGINAL DESIGNS, by the most eminent artists, together with fac similes of the original autograph copies of (20) famous poems.

The illustrations are numerous and exquisitely wrought. What can be more beautiful than the one which reflects the

enchanting spot where—
"Maud Muller, on a summer's day,
Raked the meadows s eet with hay;" One of those lovely New England land-scapes, which the engraver has represented in outlines as beautiful and artistic as the song it adorns Conspicuous, also, for its rare beauty is the illustration accompanying the "Song of the Brook," where the stream-let, dashing beneath the rustic bridge,

"Over stony ways,
In little starps and trebies."
