

HOME EVIDENCE IN FAVOR OF THE PAIN-KILLER.

Hint No. 1.

If you wish to save yourself, your family, and your friends a world of suffering and pain, which at present they endure needlessly, and also save many dollars in Doctor's bills, go at once to the nearest store, and buy a few bottles of PAIN-KILLER.

WHY experiment with unknown mixtures without character or reputation, when this world-renowned PAIN-KILLER which has stood the test of over 40 years, can be had for the same price at any Drug Store in the Dominion?

READ THE FOLLOWING.

OTTAWA, ONT., March 3, 1880. The writer has been selling Perry Davis' Pain-Killer now for the last 22 years, and can confidently recommend it to the public as a sure remedy for Cholera, Diarrhoea, Sore Throat, Chronic Coughs, Bronchitis, Burns, Scalds, Etc. Have known it to cure a case of Syphilitic Sore Throat of two years' standing, when all the usual remedies failed. The patient took half a teaspoonful in water three times a day, and gargled the throat three times a day as follows: one teaspoonful in a wine glass of water, and used as a gargle.

Hint No. 2.

Ask your Druggist, Grocer or Shopkeeper, for a bottle of PAIN-KILLER. If he passes it down without ceremony, ask him while extracting the quarter dollar from your wallet, if this is the genuine made by PERRY DAVIS & SON, at some time watch the expression on his face. You can easily tell if his conscience is all right; also examine the bottle closely yourself.

I have much pleasure in adding to the number of the numerous testimonials you have already received, as to the value of your renowned Pain-Killer. I have sold it and used it in my family for twenty years or more, and have no hesitation in saying that it is the best patent medicine I have ever used for the purposes for which it is recommended; and, moreover, every person to whom I have ever sold it, has been perfectly satisfied with it, and I know many persons who will not go to bed at night unless they are sure there is a bottle of Perry Davis' Pain-Killer in the house. All who have used it once, will use it again; it makes friends and retains them.

Hint No. 3.

When you ask for a bottle of PAIN-KILLER, and the gentleman store-keeper, without scarcely looking, remarks, "we have just out, but have another article as good or better, which will do the same for you, 25 cents." Turn on your heel and say, "Good bye, Sir! This man carries more for the two or three cents extra profit which he gets than he does for your health or happiness."

We have much pleasure in certifying that we have kept Perry Davis' Pain-Killer constantly in stock for upwards of twenty years, during which time it has taken the lead in sales over all other patent preparations, and has become an old, reliable family medicine. No effort is required now on our part to sell it, as it is as staple an article as flour in our trade.

Hint No. 4.

Beware of all the worthless mixtures, and dilly, gummy combinations which are offered you in almost every store, and which some unprincipled shopkeepers try to palm off as substitutes for the PAIN-KILLER. These mixtures are gotten up expressly to sell on the reputation of the PAIN-KILLER, but have nothing in common with it.

It gives me much pleasure to state that during a drug career of more than a quarter century, I can testify that your justly celebrated Pain-Killer has not only held its own as a family medicine, but still occupies the front rank wherever duty calls it. My customers speak very highly of it, and I could send no end of testimonials showing up its merits and intrinsic worth, were it necessary, which it is not. It should, however, be called "Eucalyptus Pain-Killer." I pride myself in never being out of it.

We have great pleasure to state that the Pain-Killer holds its position in this place as the old, reliable family medicine. Although there are a great many other remedies in the market, some bearing nearly the same name as Pain-Killer, yet they are not the same. Destroyer, and such like names, we have seen, and we know the difference, and are sure to ask for Perry Davis' Pain-Killer. We have been selling Perry Davis' Pain-Killer for the last 22 years.

I have been using the Pain-Killer for many years with results that justify me in recommending it. As a family medicine, it is almost indispensable; being good not only as a pain-killer, but for colic and sore throat, and many other ailments for which it appears specially adapted. I have used it myself, chiefly as a liniment, and find it valuable for rheumatism and pains and stiffness belonging to old age. I pronounce the Pain-Killer a good and cheap medicine, and worthy of all acceptance, and send you this certificate that you may assure the public that it is no humbug.

We hereby certify that we have sold Perry Davis' Pain-Killer in our Dispensary for several years. We consider it a very useful and necessary article to the best in all households as a resort in case of accidents and exposure to attacks occasioned by cold.

I have used your Pain-Killer for the last twenty years. I can truly say it is the best medicine I have ever used for the relief of all kinds of pain, and I have never known it fail. I think it is the best remedy in the world for which it is recommended.

I have sold the Perry Davis' Pain-Killer for over thirty years, and the same has given me a great deal of business, and I have never known a failure in recommending it as a good and reliable family medicine.

I have been selling Perry Davis' Pain-Killer for the past six years, and have much pleasure in stating that it is still the best medicine I have ever used for the relief of all kinds of pain, and I have never known it fail. I think it is the best remedy in the world for which it is recommended.

Your Pain-Killer as a family cure-all has been in constant use in my household for a long time, and I would not be without it for a better one. It never fails me. I call it the "Old Reliable."

For twenty-three years last I have sold Perry Davis' Pain-Killer, and have always found it to give good satisfaction. I have frequently used it in my family, and received great benefit from the use of it in that way. Although many imitations of it have been put on the market, and are pushed hard, yet the old, reliable Perry Davis' Pain-Killer holds its own, and is a very popular domestic medicine.

The PAIN-KILLER

Is recommended by Physicians, Ministers, Missionaries, Managers of Factories, Work-shops, Plantations, Nurses in Hospitals, in short, everybody everywhere who has ever given it a trial. TAKEN INTERNALLY, it cures Dysentery, Cholera, Diarrhoea, Cramp and Pain in the Stomach, Bowel Complaint, Painter's Colic, Liver Complaint, Dyspepsia or Indigestion, Sudden Colds, Sore Throat, Coughs, &c. USED EXTERNALLY, it cures Blisters, Fingers, Cuts, Bruises, Burns, Scalds, Old Sores and Swellings of the Joints, Toothache, Pain in the Face, Neuralgia, and Rheumatism, Chapped Hands, Frost-bitten Feet, &c. The PAIN-KILLER is put up in 2 oz. and 5 oz. bottles, retailing at 25 and 50 cents respectively, -large bottles are therefore cheapest.

It is a compound of the virtues of sarsaparilla, stillingia, mandrake, yellow dock, with the iodide of potash and iron, all powerful blood-making, blood-cleansing, and life-sustaining elements. It is the purest, safest, and most effectual alterative medicine known or available to the public. The sciences of medicine and chemistry have never produced so valuable a remedy, nor one so potent to cure all diseases resulting from impure blood. It cures Scrofula and all scrofulous diseases, Erysipelas, Rose, or St. Anthony's Fire, Pimples and Face-grabs, Pustules, Blisters, Boils, Tumors, Tetters, Humors, Salt Rheum, Scald-head, Ring-worm, Ulcers, Sores, Rheumatism, Mercurial Disease, Neuralgia, Female Weaknesses and Irregularities, Jaundice, Affections of the Liver, Dyspepsia, Emaciation, and General Debility. By its searching and cleansing qualities it purges out the foul corruptions which contaminate the blood and cause derangement and decay. It stimulates and enlivens the vital functions, promotes energy and strength, restores and preserves health, and infuses new life and vigor throughout the whole system. No sufferer from any disease which arises from impurity of the blood need despair who will give AYER'S SARSAPARILLA a fair trial. It is fully to experiment with the numerous low-priced mixtures, of cheap materials, and without medicinal virtues, offered as blood-purifiers, while disease becomes more firmly seated. AYER'S SARSAPARILLA is a medicine of such concentrated curative power, that it is by far the best, cheapest, and most reliable blood-purifier known. Physicians know its composition, and prescribe it. It has been widely used for forty years, and has won the unqualified confidence of millions whom it has benefited. Prepared by Dr. J. C. Ayer & Co., Lowell, Mass. SOLD BY ALL DRUGGISTS EVERYWHERE.
