**STAFF THIS ISSUE**—The queen (sun one that is) was crowned with corn as she stood before the heckling, indifferent, wanderous throngs and multitudes (those who had newly appointed her) but she didn't mind, for down deep in her heart she KNEW that WE HAD IT IN FOR HER. Those standing by to witness the momentous, glorious, premeditated occasion and every now and then slipping back into the office to put out the news were D. # Called on account of rain

by Al Scarth

It's moving into the bottom of the ninth, folks.

And shuffling up to the plate here in Seven Flavor Multi Varsity Stadium is, can it be?, yes, yes it is, they've decided to throw him in again. Must have great hopes for that boy considering his zero batting average.

It's none other than Lanky do-or-die Leadbeater. This is an unexpected move ladies and gentlemen. Lanky has made it quite clear to his teammates he wants no part of this game. In fact, he has been most emphatic about demanding the ouster of this particular opponent, The God Fearing Charlies, from what is an otherwise cleanly run league he claims.

The GFCs have come in for a lot of criticism this year from black players in the league, folks, most of it apparently centred around their massive and virtually invincible power plays.

Lanky was game at the start to follow his own Councilors' advice—after all the team from the Southern Utah's Bushleague had nothing to lose, not having anything. The big leaguers let an occasional one of the blacks make it into their league, like Lanky and his teammates. But they soon stepped on him good. You folks and I know that niggers should know their place.

That Lanky though, he didn't look at it quite that way. Kept popping those big eyes and smiling teeth up where they didn't belong and kept getting them shoved into his happy little colored face.

Leastways, that's how he used to do it. But even a nigger gets the message sooner or later if you keep spitting it in his face long enough.

Strange though folks, how even a nigger takes so long to understand something as simple as "We don't want you here, boy. Your place is on the other side of the fence. You can use the peephole. Damned if we're going to let your sweat stink up an otherwise perfectly respectable clean Seven Flavor Multi Varsity Stadium."

But folks, if I can ramble on for a second while the GFCs complete their usually flawless ball-passing warm-up, there's just one thing worse than one of them uppity black sonsofbitches, and that's a nigger-loving white man.

The GFCs are having a spot of trouble with that kind this year. They've managed to kick one nigger-lover around a bit so far.

Far's I'm concerned they're going to have to do a better job of it though. It's time that Yankee Kemp learned he can't go around raising no rabble and get away with it scot-free.

In my day, lynching was . . . oops, here we go folks. Well, I'll be a coonskinned baseball. Lanky just hit a home run into left field. There he goes, using that unmistakable shuffle of his, headed for first base. I swear his face is as bright as the warm sun overhead. Oh, oh. The umpire has made a call. Yup, that's it, at the request of the GFCs, he's called the game because of rain.

Lanky didn't get a chance at the winning run after all.
