Toronto.

Dear Mr. Meighen:-

Enclosed please find Certificate No. 0256 of Canadian Insurance Shares Limited for 100 common shares. It is endorsed by Canadian Associate Companies, Limited, in blank. I notice that the signature is not witnessed, but if you have any trouble in the transfer I will get it witnessed, and I presume I ought to pay the transfer tax if you want to transfer it to your own name.

If you feel safe in taking it this way, please let bearer have a cheque. You can send me the notes at your leisure.

Yours truly,

JRLS-ES.  
Encl.

*I have since found out  
that the seal of a company does  
not need witnesses.*
