WORKED CARNEGIE

"I was up at Palmerston at an inquest," remarked Archie Skirving, claims adjuster for the Pure Marguerite, "and I was very forcibly struck with the enterprise of that town. They got \$10,000 from Carnegie to build a library, and built a combination council chamber, lock-up, market and library. The cost of maintenance is about \$800 and they have one of the most up-to-date public buildings in Ontario. There must have been something wrong with the Chatham people when they couldn't finance their market like they did in Palmerston."

John H. Snell, foreman of the cooper shop of the Canada Flour Mills Co., was badly scalded this morning. A steam pipe used for thawing out ice in the stable during the winter came loose and the steam struck Mr. Snell on the leg. He was very badly scalded from his thigh down and was removed to his home on Lorne avenue.

HONORED HIM

Thamesville Tributes to the New Governor of Kent County Jail—A Worthy Citizen.

Prior to their departure for Chatham, Mr. and Mrs. John Davidson were kindly remembered by their friends. Last week they were presented with a large mantle clock by Rebekah Lodge, No. 51, and on Thursday evening last Mr. Davidson was presented by Thamesville Lodge, No. 157, I. O. O. F., with a veteran's jewel suitably engraved. On both occasions a banquet was held and very kindly worded addresses presented. On Monday evening the congregation of St. James' Presbyterian church met and during a program of speeches, songs, etc., Mrs. Davidson was presented with a handsome quarter cut oak secretary and Mr. Davidson with a Morris chair of the same material. Mr. Davidson has been for years leader of St. James' church choir and a valued member, and his departure means a distinct loss. As a citizen he has always been active, and while we are loath in seeing him leave, we congratulate him on his appointment as county jailer, a position which we are sure he will fill with credit to himself and county.—Thamesville Herald.

IS FIXING UP

Ald. Potter, chairman Parks and Cemetery, says that an effort will be made to make the parks attractive spots this year. Tecumseh and Victoria parks have been seeded where needed already and flowers will be planted as soon as the weather permits. The old well in Victoria Park has been filled up and the spot made attractive. A strong effort is being made to put the cemetery in good shape. Two men are at present employed and the roads will be scraped at once.

A DESERVED TRIBUTE

The Buffalo Courier on Saturday, contained a write up of St. Catharines, and a portrait of Mrs. Herbert Eckhardt, of St. Catharines, daughter of Mr. and Mrs. J. M. Pike, of this city. The Courier says Mrs. Eckhardt is one of the most esteemed and popular young society ladies of St. Catharines and a recent bride. The paper also contains a cut of J. B. MacIntyre, brother of E. J. MacIntyre, of this city. He was Mayor of St. Kitts four years.

Pride carries with it a peculiar sort of inability to accomplish anything.
