

Now is it June's bright morn, and beauty times
 The glowing wreaths that deck her thousand shrines.
 On the lark's wing sweet music hails the day,
 And o'er the sun-beam pours her liquid lay;
 While the blithe spirit of the social plain,
 Leads health, and love, and gladness, in his train.
 Brown'd with her pail, light rocking as she steps,
 Along the fresh, moist path young Lucy trips.
